Hickory High School

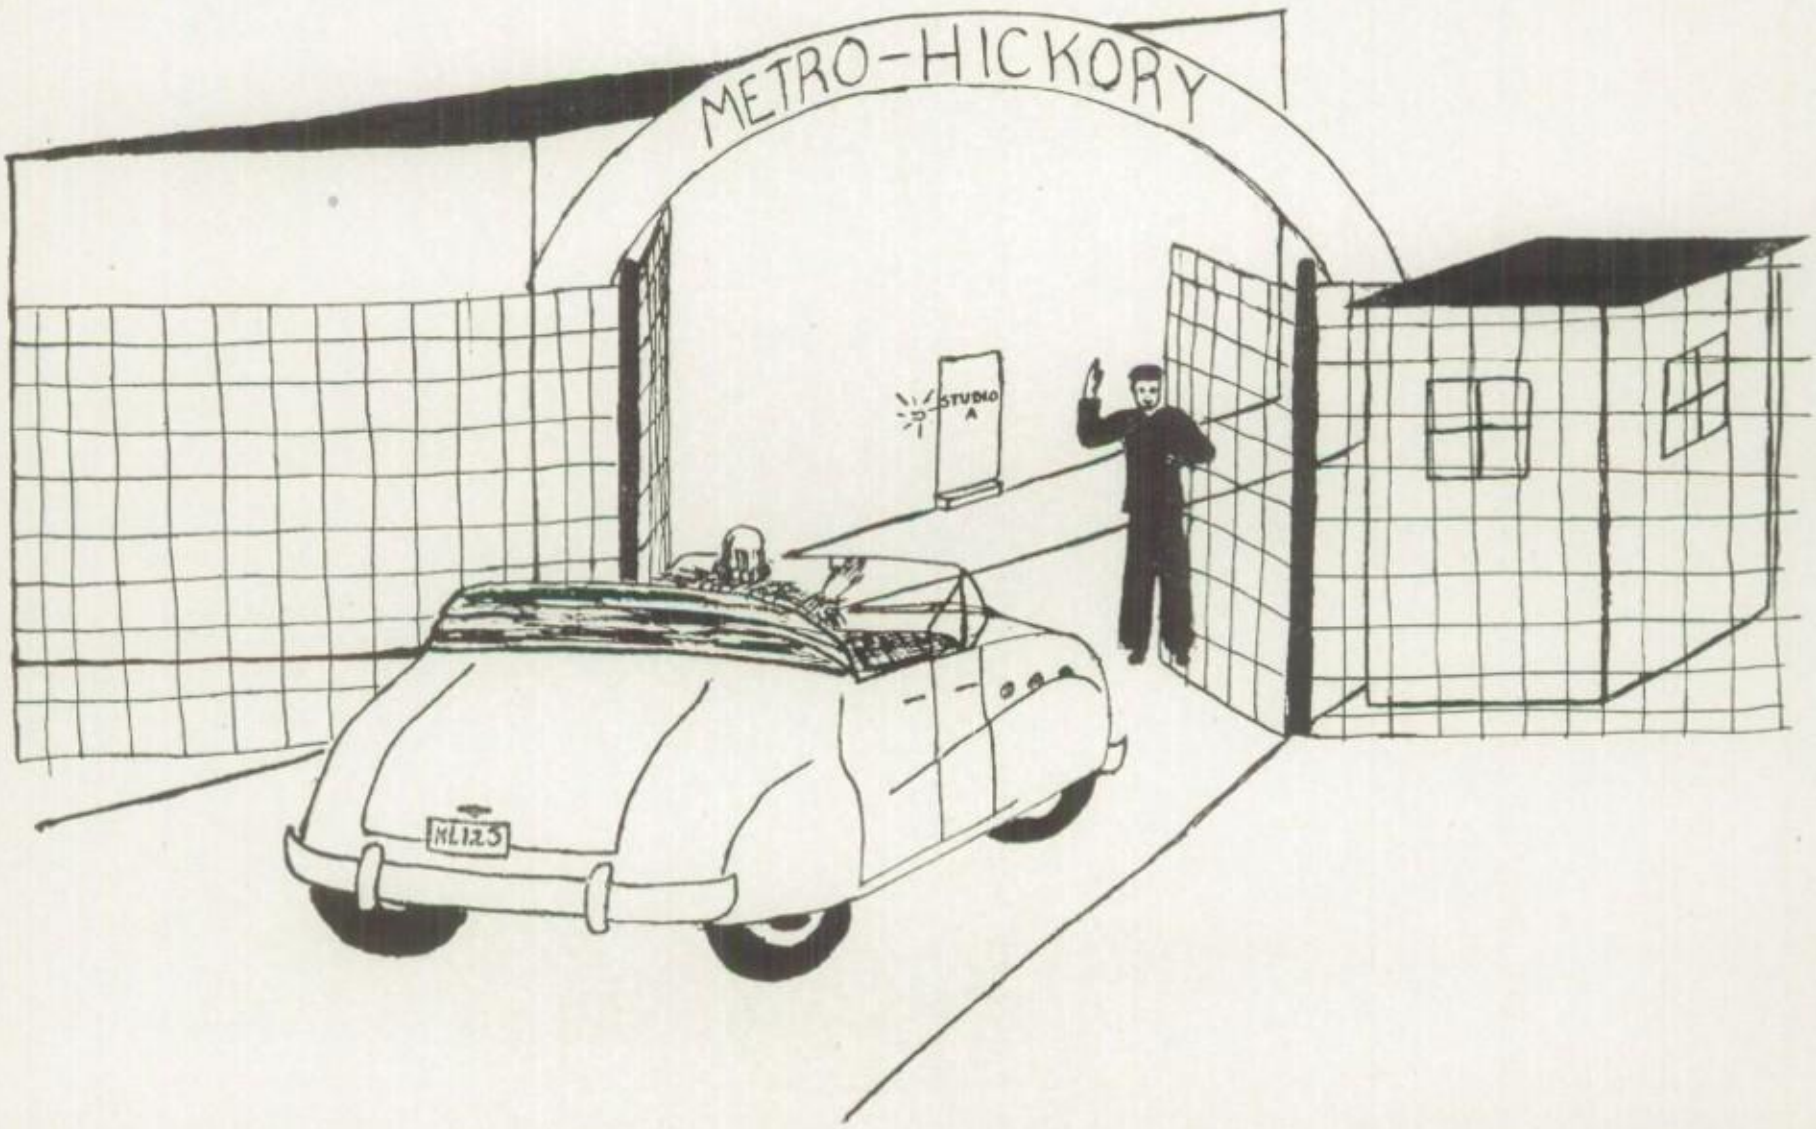
Sharon, Penna.

Volume XXII



METRO-HICKORY
STUDIO A
KL123

Foreword

We, the class of 1952 from Hickory High School, present our edition of the "Hickory Nut," based on the production of a movie.

The work and worries of the students and faculty in everyday school life are similar to the work and worries of the stars and producers in making a motion picture. The years we have spent in Hickory High will remain as all pleasant memories to each and every one of us who have toiled and worked for Commencement Day.

We hope that you will find bound in the pages of this book, the memories that will keep your high school days living forever.

Our Star

THE MAN OF MAGIC . . .

—who can convert a bare gymnasium into a flower garden, thorn bushes into glistening white rose bushes enhanced with white fences, trellises and a stone wall.

THIS MAN OF MAGIC . . .

—whose murals of the covered wagon balancing modern industry, set the pace for the '49ers Commencement pageant . . . or the cluster of fluttering American flags opposite the glistening modern numeral on a vivid blue background for a 1950 Commencement. Ornate marble stepping stones to success, lettered in bold script, carried essential virtues as the 1951 seniors built a pyramid of success.

THE MAN OF MAGIC . . .

—who can transform a bleak stage into a church balcony complete with a pipe-organ. Stage sets have that lived-in-look. Remember the ancient wall paper and wainscoating . . . and the elevator plus floor indicator . . . the realistic snow scene glimpsed through the frosted window . . . and the weird lighting for mystery?

THIS MAN OF MAGIC . . .

—who made men of boys.

—who built character as well as a department.

When Mr. Mangus first came to Hickory, he was quartered in a shop which also housed the vo-ag department. After the new elementary building was opened, plans for an industrial art suite were finally realized and working with "his boys," installed an observation window separating the shop from the mechanical drawing room. At present the shop occupies both of these rooms and the mechanical drawing room has been moved to a large light corner room on the third floor.

Before coming to Hickory in 1948, Mr. Mangus served five years in the European Theater with the Third Armored Division as a First Lieutenant.

Therefore we, the Senior Class of 1952 dedicate this issue of the Hickory Nut to Mr. Charles "Chick" Mangus because of his never-tiring help and influence during our high school days.

SCHOOL LIFE 95

MR. HARRY HORNER, Lyle Drive, works as an interior decorator, is an active member of the Hickory Booster Club and Sharon Exchange and Civic Club. He is president of the board for the fourth successive year.

MR. FRANK LAZORISHAK, Superior Street, is serving his third year on the Board of Education and is a Hickory graduate. He is employed at the Westinghouse in Sharon.

MR. WADE DICKINSON, Sharon-Mercer Road, is a partner and service manager at the Leyde Garage. He is serving his third year on the board as vice president and is active in the local firemen and Boosters.

MR. WILLIAM POOL, Valley View Road, is serving his first year on the board. He is paymaster-cashier at the Westinghouse. Mr. Pool is a member of the Elks Club in Sharon.

MR. DONALD SHULL, Lyle Drive, is a first year member of the Board of Education. He is a traveling representative for the Pittsburgh Press, covering the Western Pennsylvania and Northern New York area.

Board of Education at Work

Come in and sit in on a meeting of the school board. You will go to Mr. Delahunty's office on the second floor. There the five members of our board meet and discuss the problems and plans of that day. The members of our board of education are not professional educators, they are members of this community who have gained the respect of their fellow citizens so that, they were chosen to represent the community in one of the most important functions of the community. Their job requires much time and effort and only too often receives insufficient recognition.

The duties the board of education performs are innumerable. Among some of their duties are: selecting the personnel, supervision of the financial situation of the schools and establishment of general policies for the work of the school.

Selecting the personnel must be done carefully, not only in regard to individual efficiency but also in consideration of the absolute need of school employees to be able to cooperate properly.

It is on the school board that the people must depend for fixing the amounts to be raised by taxation and for conducting the schools within the funds available.

The school board has a great responsibility in that they have a large part in the planning and study which determine the educational philosophy of the school system.

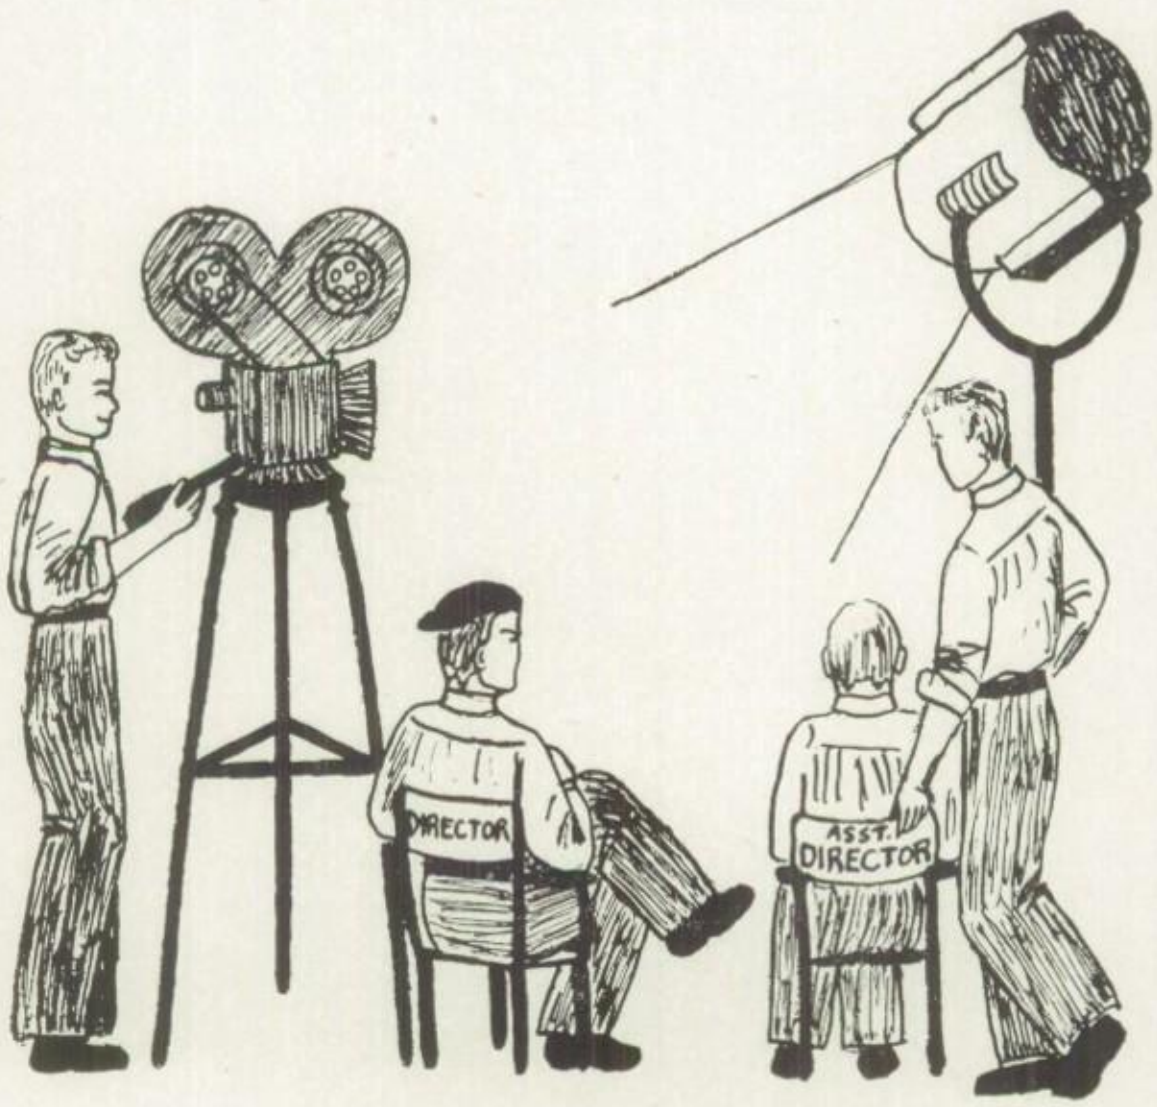
They must decide what the pupils should receive from the schools and what are the most efficient methods of supplying the desired services to the students. Every member must have an understanding of all new developments in every phase of the educational field and they must decide how they can be applied to our new school system.

The school board could never do their job as satisfactorily if they didn't have the support of the citizens. It is necessary for the members to see to it that the public is informed of what the school system is trying to do, what it needs to do it and what progress has been made at each stage of development.

In order to perform all these innumerable duties, it is necessary for the board members to have a thorough knowledge of the general structure of a school's system, equipment that is needed and personnel of the schools. This can be acquired through personal visitations and through information supplied by the supervising principal.

Each school board member has accepted the responsibility for the education of the young people of the community. They realize that this responsibility is an especially serious one in a democratic society, a society that has many dangerous outlets which may be taken if the student has the wrong background.

Membership on the board of education is a hard, exacting task and the men who serve on it are to be commended for their public spirit and willingness to accept civic duties.



DIRECTOR
ASST.
DIRECTOR

Our Directors

The directors of any show must be the best! They work the hardest to make the show a success, just as the executives and faculty of a high school do, directing the students in every phase of growing up.

In this section we present the administration whom we have come to know as our friends. From the first grade up to graduation time, the faculty plays important roles behind the sets of our school life.

We also present, in this section, the maintenance force and bus drivers. With their duties performed the school runs efficiently and students are transported safely to and from school.

MR. KENNETH R. DELAHUNTY, 88 Stambaugh Avenue, graduated from Westminster College with a B.A. degree and received his Master's in Education from Pennsylvania State College. Mr. Delahunty taught at Sandy Lake before coming to Hickory and did advanced graduate work at the University of Pittsburgh. During his fifteen years at Hickory, he has been a coach, a teacher, a principal, and now is the supervising principal.

Mr. Delahunty is the center of the complete administration for the school system. He is the head of the elementary schedule, bus drivers, and recommends the course of study, including suggested new courses. He is in charge of all extra-curricular activities such as athletics, adult educational classes, and recreational programs.

He is the school board representative and is in charge of all personnel and school supervisor of teachers, including rating of teachers. He works along with Mr. John Carnahan, secretary of the school board, to arrange the budgets in connection with obligations, and budgets financial recommendations of all school books and supplies.

Mr. Delahunty's friendly smile always greets you as you enter his office. He enjoys his work because he is interested in the youth of today, who will be the citizens of tomorrow.

Mr. Delahunty and Mr. Reimold

MR. A. R. REIMOLD, Transfer, graduated from Thiel College with a B.S. degree and received his Master's in Education from the University of Pittsburgh. He was the principal of Transfer High School and a coach and a teacher at Albion, before coming to Hickory seven years ago.

Mr. Reimold is on the committee of senior advisers. He can usually be found at the senior meetings, in his office, or in the vo-ag room working with the F.F.A. boys and Mr. Lacy Enterline.

Five days a week, nine months of the school year, Mr. Reimold's office on the first floor is the center of Hickory's school life. Students trail in and out of the office looking for either Mr. Reimold or Miss Artman. They must contact Mr. Reimold to arrange all school activities such as dances, club activities and anything having to do with the school calendar. He is Student Council adviser and has charge of schedule changing. He is always a helpful and willing adviser for any of the students or faculty.

Every student in the school has a record in the principal's office showing his attendance, health card, pink slips, failure reports and the senior black book.

MRS. DOROTHY M. HANS is private secretary to Mr. Kenneth R. Delahunty. This is her second year at Hickory. Before becoming Mr. Delahunty's secretary, Mrs. Hans worked at Westinghouse for three years and prior to that, she graduated in 1941 as a commercial student from Hickory High School.

Mrs. Hans supervises the switchboard and trains students to operate it. She has charge of the public address system which operates throughout the school. Besides these duties, she also takes care of the payroll of employees of Hickory High School, keeps the school books, and takes care of tuition of students attending Hickory High School from such places as: West Middlesex, Clarksville, and Transfer. Of all her duties, Mrs. Hans enjoys making payroll best. She also likes bookkeeping.

Mrs. Hans can always be found in her office working, except from 12:00 to 1:00 when she goes to lunch with Mrs. Dorothy Parker. Mrs. Hans is a very cheerful and friendly person who is well-liked by all.

She lives at R. D. No. 2, Sharon.

Secretaries

MISS JANE ANN GILLILAND is private secretary to Mr. A. R. Reimold. This is her first year as secretary at Hickory High School. Last year, 1951, she was graduated as a commercial student from Hickory. While at Hickory as a student, Miss Gilliland was on the Student Council for three years and she was also our Football and Valentine Queen. She is very glad to be able to remain at Hickory High School.

In the morning, Miss Gilliland can be found in the first floor office helping Mr. Stewart write excuses for students coming on late buses, tardy, or absent, and typing the bulletin. She also takes care of athletic insurance and takes dictation and types for Mr. Reimold. Of all her duties, Miss Gilliland enjoys typing the bulletin each day best.

She is very well liked by students as well as the faculty. Her smile and friendly manner make it easy to understand why she gets along so well with everyone.

Miss Gilliland lives at R. D. No. 2, Pulaski on the Bethel-Carbon Road.

Guidance and Library Departments

The guidance department consists of MISS BETTY LOU ARTMAN, counselor, MRS. SARA TARR, Dean of girls, and MR. DICKSON STEWART, Dean of boys. With the help of Mrs. Tarr and Mr. Stewart, Miss Artman guides the students in their educational and vocational choices, in their avocational interests and in their social and moral responsibilities.

Through an elementary intelligence testing program in grades 1, 4, and 6 and a comprehensive achievement testing program in grades 4, 5, 6, 7, and 8, Miss Artman becomes acquainted with all available information on each pupil and helps him in selecting his curriculum in grades 9, 10, 11, and 12.

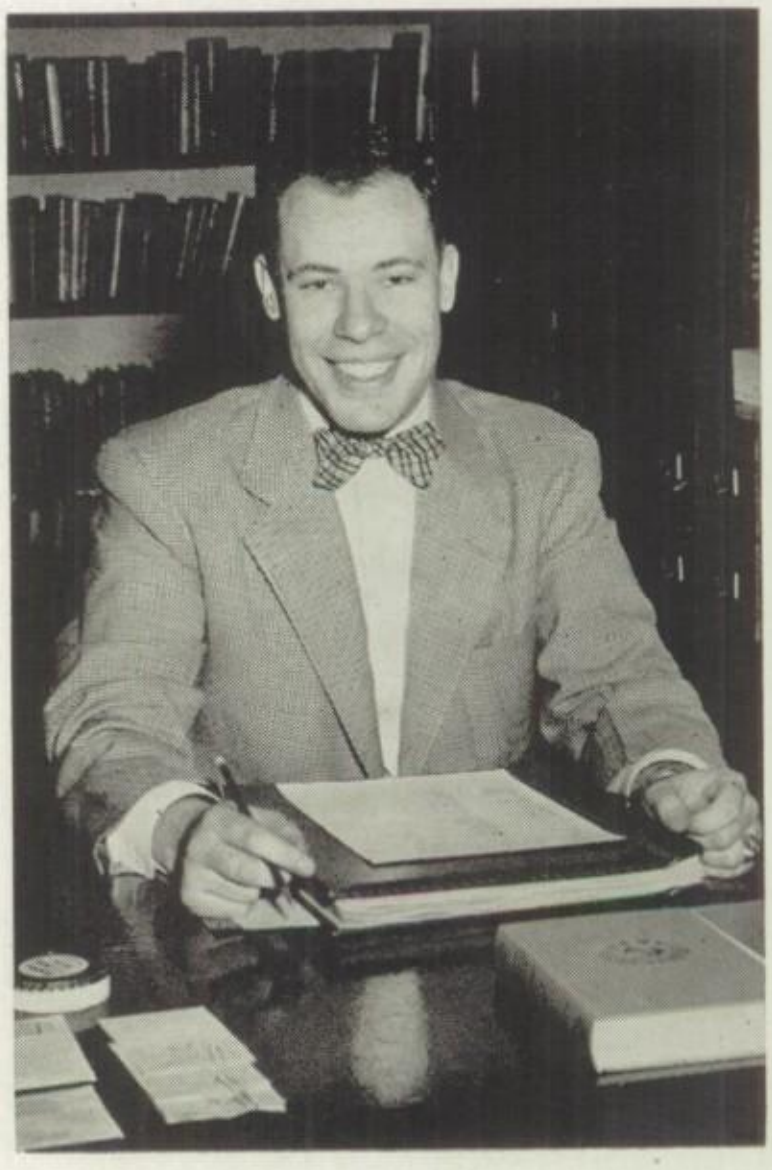
As a result of the guidance service, members of the senior class are able to secure information about themselves through individual interviews after they have taken a battery of tests. These tests include mental ability, vocational interest and specific aptitude tests.

The Dean of boys, Mr. Stewart and the Dean of girls, Mrs. Tarr, work closely together in an attempt to solve the boy and girl problems. Their chief concerns are the students' personal problems, social irregularities, human relations and health and personal hygiene. Every student in the junior-senior high school has benefitted from their regularly scheduled lectures and movies on sex education, emotional health and human reproduction.

MR. RONALD GREEN, 1283 Ashton Road, Sharon, is adviser of the Library Club and guidance director for the library. He graduated from Clarion State Teachers College with a B.S. degree in Education, and is attending the Western Reserve University for his Master's of Library Science.

The library is the "Peoples' University" and Mr. Green is working to make the library at Hickory just that. The one aim of the library is to assist every student in class work and to cater to his likes and desire for knowledge.

With an eye on the future we hope to see an expanding library.



Music and Art Departments

MISS MARION BUCHANAN, North Buhl Farm Drive, received her B.M. degree from Westminster and has done graduate work at Penn State. Miss "B" directs the senior high concert choir, the junior high and elementary choruses, girls' ensemble, and boys' and girls' glee clubs. After the Christmas concert has been given and the students return from vacation, all work is directed toward the annual spring festival, an occasion to which all look forward. At this grand finale of the music season, each group shows what they have accomplished during the past year.

MR. LOUIS COHEN, Penn Avenue, Sharon, received his B.M. degree from Dana School of Music and did graduate work at Indiana State Teachers College, Kent State University, and Westminster College. Mr. Cohen directs the high school band and orchestra and also gives free instrumental instructions to any student desiring them. The band appeared at all football and basketball games played at home and always helped to keep the school spirit high. The band also presents an annual spring concert including marches, light classical numbers, operatic and symphonic overtures, and popular numbers.

MRS. VIRGINIA LAKE, West Middlesex, received a B.S. degree in art from Edinboro State Teachers College and just recently received her Master's of Science from the University of Pittsburgh. Before coming to Hickory five years ago, she taught in Youngsville and Warren County. Mrs. Lake is adviser and teacher of the junior high school and high school art classes. She is in charge of the bulletin boards and also grade schools of our township. In the art course, designing, posters, illustration, and painting are elective to any student in high school. These students have done excellent work in helping to advertise by means of posters for school activities such as the junior and senior plays, basketball games, choral and instrumental concerts, and dances.

MRS. MAXINE PATTERSON was graduated from Pennsylvania State College with a Bachelor of Science degree and has also done graduate work at Penn State. Mrs. Patterson who is in her second year at Hickory, teaches junior high home economics and related arts and is Jr. Tri-Hi-Y adviser.

MISS DOROTHY HOVIS, Superior Street, Grove City, received a Bachelor of Science degree from Indiana College. She teaches senior high home economics and related arts, which includes such subjects as cooking, meal planning, tailoring, family relationship, working out budgets, interior decorating, and preparations of parties and luncheons. Another of Miss Hovis' activities is serving as adviser for the Future Homemakers of America, a club to which all home economic students may belong. She has been adviser for the past six years.

MR. RUSSELL BROWN, 1060 Pearl Street, Sharon, was graduated from California State Teachers' College with a Bachelor of Science in Education degree. He teaches industrial arts and woodwork, and this is his first year at Hickory.

MR. LACY ENTERLINE, Jamestown, received the Bachelor of Science degree from Pennsylvania State College. He teaches vocational agriculture, and is adviser for the Future Farmers of America. This is Mr. Enterline's ninth year at Hickory.

MR. CHARLES MANGUS, East State Street, Sharon, has taught mechanical drawing at

Hickory for the past four years. He received his Bachelor of Science degree from California State Teachers' College, and has done graduate work at the University of Pittsburgh.

Home Ec and Vocational Departments

MISS GAULTINE CULLER, Medina, Ohio, graduated from Kent with a B.S. degree and did graduate work at Pennsylvania State and Edinboro College, and now teaches physical education and health.

Miss Culler advises the varsity and junior varsity cheerleaders and helps with the football and basketball pep assemblies.

MR. KEITH STONER, Farrell, graduated from Slippery Rock State Teacher's College with a B.S. degree, and did graduate work at the University of Pittsburgh. He teaches health and physical education.

Mr. Stoner is the senior class adviser and faculty manager, and can usually be found selling basketball and football tickets.

MR. JACK GAUS, Sharon-Mercer Road, graduated from Slippery Rock College with a B.S. degree in physical education. Mr. Gaus is the junior varsity basketball coach and also teaches gym.

MRS. ELLA MAE HORSMAN, came to Hickory this year. She graduated with a B.S. degree from Slippery Rock State Teachers College and teaches junior high gym.

MRS. DOROTHEA FRANTZ, Sharpsville, has a variety of jobs concerning the health of the student. She is the school nurse, truant officer, and conducts Boy Scout tests.

The health department gives every pupil a dental and medical examination every two years. If the pupil wishes, he may have chest X-ray, patch test, or shots for contagious diseases. Dr. Francis L. Lally, Sharpsville, was the medical examiner this year and the medical assistants were: first semester, Mrs. Grace Edmunds and second semester, Mrs. Ruth Weldon.

Health and Gym Departments

Math and Science Departments

MRS. MARY GARRETT, West Middlesex Heights, graduated from Westminster with a B.S. degree. She teaches junior high mathematics.

MRS. VIRGINIA SNYDER, Sharon-Mercer Road, teaches trigonometry, solid and plane geometry and algebra. She received a B.A. degree at Westminster College.

MR. DICKSON STEWART, R. D. 2, Sharpsville, received his B.S. degree from Thiel College and a Master's in Education from the University of Pittsburgh. He teaches physics, algebra, applied science, general mathematics and is Hi-Y adviser and baseball coach.

MR. MARSDEN McBRIDE teaches junior high mathematics and is coach of junior high football and basketball. He received a B.S. degree at Grove City College.

MISS MINNIE BEVLYN graduated with a B.S. degree from Slippery Rock where she resides, and recently obtained her Master's in Education from the University of Pittsburgh. She teaches chemistry and is science club adviser.

MR. GEORGE HOLLIBAUGH, Fredonia, possesses a B.S. degree from Slippery Rock and a Master's in Science from Cornell University. He teaches biology.

MR. CHARLES SNYDER, Sharon-Mercer Road, teaches general science and is football and varsity basketball coach. He received his B.S. degree from Thiel College.

MR. ROBERT WEBSTER, 823 Crowder Avenue, Sharon, obtained a B.S. degree from Slippery Rock and is doing graduate work at Penn State. He teaches junior high geography including science.

History and English Departments

MRS. FRANCES SLOAN, Sharpsville, received her B.A. degree from Monmouth College and did graduate work at Penn State College.

MR. CHARLES OHR, Grove City, received a B.S. degree from Slippery Rock College and a Master's in Education from University of Pittsburgh.

MR. PAUL CURRIE, Jefferson Avenue, graduated from Slippery Rock with a B.S. degree and received a Master's in Education from Westminster.

MR. JAMES REYNOLDS graduated from Thiel College with a B.S. degree in Education.

MR. CHARLES McCULLOUGH, Sharon, received his B.S. degree from Slippery Rock College.

MRS. HELIA FRUIT, Transfer, received a B.A. degree from Pennsylvania State and did graduate work at Grove City College.

MRS. PATRICIA RUNG, Wheatland-West Middlesex Road, is junior class and senior Tri-Hi-Y adviser. She graduated from Westminster College with a B.A. degree.

MR. MILFORD SHIMER, New Wilmington, graduated from Westminster College with a B.A. degree.

MISS BETTY SINGER, Sharon, graduated from Thiel College with a B.S. degree.

MRS. JANE MILLER, Greenville Road, Mercer, has a B.A. degree from Westminster and has done graduate work at the University of Michigan and Penn State. She is Spanish Club adviser and on the committee of senior class advisers.

MISS HELEN CRAIG is Latin Club and projector crew adviser. She received a B.A. degree from Grove City College and did work at the University of Pittsburgh.

Commercial Department

MRS. MARY MOORE, 30 Covert Avenue, Sharpsville, teaches shorthand, business English, office practice and business law. She received a B.S. degree in commerce from Grove City College, did graduate work at the University of Pittsburgh, and has been at Hickory for nine years.

MISS FRANCES ADAMS, 12 College Avenue, Greenville, graduated from Grove City College with a B.S. degree in commerce. She has been at Hickory for eleven years and teaches business arithmetic, typing, bookkeeping, business English and spelling.

MISS JEAN MOORE, 908 George Street, Sharon, graduated from Thiel College with a Bachelor of Science degree in Economics. She teaches first year typing, general business and is sophomore Tri-Hi-Y adviser.

Every year Mrs. Moore, head of the Commercial Department, places many reliable commercial girls, who have been efficient in their work, in jobs, that may turn out to be a great career for them.

It is a familiar sight to see Miss Adams checking money in her homeroom to take to the bank for clubs, organizations, the journalism department and the junior and senior classes.

The commercial department has been enlarged to handle the increasing amount of students interested in taking typing. Two rooms have been devoted to the commercial department.

A person taking the commercial course learns typing, business arithmetic, shorthand, office practice, business English, business law and bookkeeping.

The elective commercial course is open to all students interested in using the required hard-

Speech Department

Speech this year is taught by MRS. SARA TARR and MISS DOROTHY ELDER, Service Avenue, who has a B.A. degree from Westminster College. Miss Elder teaches junior high school and aids in speech correction in speech classes. Speech is opened to sophomores, juniors and seniors with special classes for primary, elementary and junior high school pupils with speech difficulties.

Meeting daily, the senior high school classes completed units in speech techniques, diacritics, carol speaking, radio and stage dramatics, and interpretation.

Last year the Board of Education equipped the speech department with a tape recorder, a four by eight plate glass mirror, and a file for keeping individual records. The department also has access to a disc recorder, record player, audiometer and library of reference text, readings and plays.

Entering the "I Speak for Democracy" contest, Susie Denault was placed among the first six in the district, winning a radio and three-day-sight-seeing trip to New York City.

Mrs. Tarr has for 14 years acted as the school's radio program director for the weekly school broadcasts over WPIC-AM-FM.

In connection with the speech program, two night classes in adult speech education were introduced last year for township residents. Financed by the Board of Education, the classes met once a week for fifteen sessions.

---

earned knowledge. Credit is given when they help organizations in the school such as the tax office, journalism students, and in office work.

Bus Drivers

The bus drivers of Hickory High School are very important to the school. In fact, without them there would be no children in school. Bus drivers must drive in all kinds of weather—rainy, snowy, and sunny days. Many of them must drive over muddy back roads, but they always manage to get us to school before 9:40.

Some of these bus drivers do other things besides just hauling pupils to school. They may take us to work daily and they also make sure that our athletic teams get where they are going and on time. Many times during this year and previous years, bus drivers have made it possible for the cheerleaders, band members, and the student body to follow our athletic teams. We students of Hickory High School appreciate all the many things that our bus drivers do for us.

Our oldest driver has been driving for fifteen years. The bus drivers are listed below according to the number of years they have served the Township.

Pete Beatty, Sharon-Mercer Road, has been a bus driver for thirty-two years. He hauls two loads daily from Wheatland and Bobby's Corners.

Arthur Hogue, Clay Hollow Road, makes two trips daily to Keel Ridge and Homestead Dairy. He has served as bus driver for sixteen years.

Ludwig Urban, Sharon-New Castle Road, has been driving a school bus for Hickory Township for ten years. He makes two trips daily to North Buhl Farm Drive and Patagonia.

Robert Bowser, Wheatland, hauls two loads each day to Patagonia and Bethel. He has served as a bus driver for six years.

Russell Hogue, Patagonia, has been driving a school bus for four years. He makes two trips daily to Patagonia and Sharon-Mercer Road.

James Wheaton, Dutch Lane, hauls two loads daily to Lyle Drive, Baker Avenue, and Dutch Lane. He has been a bus driver for four years. Mr. Wheaton also takes students to broadcasts and the Science Club on their annual trip.

William Anderson, Clarksville-New Wilmington Road, has been a bus driver for three years. He makes two trips daily to Bethel and New Virginia in the morning.

Otis Coulter, Morefield Road, hauls children daily to the side roads between Bethel and New Virginia. He has been driving a bus for Hickory Township for three years.

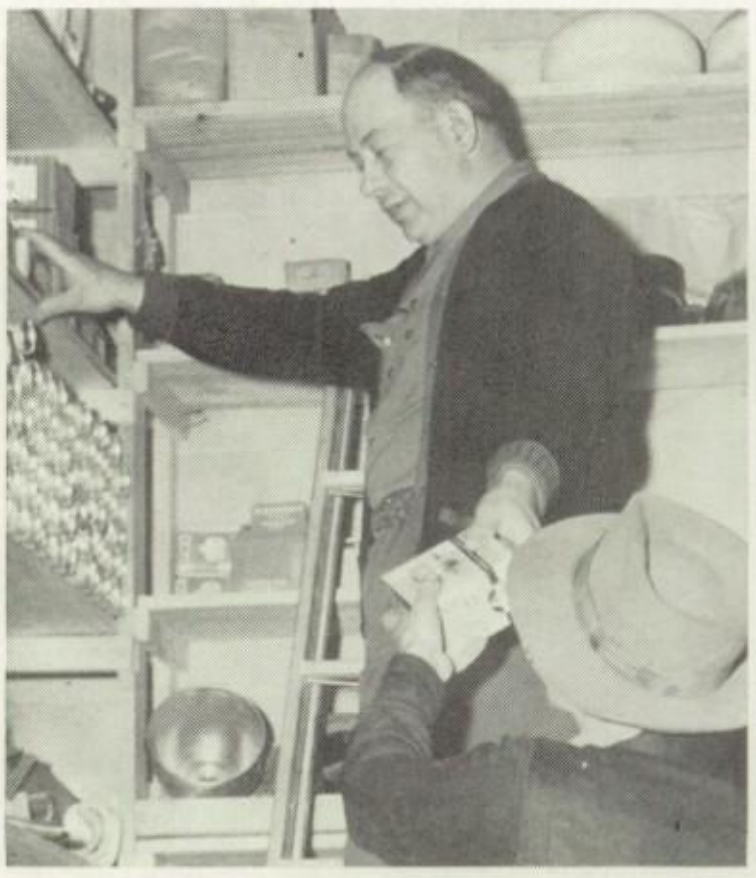
Jack Dillinger, Sharpsville, has been driving a bus for Hickory Township for three years. He makes two trips daily to Transfer.

Bill Rombold, Rombold Road, makes two trips daily to the Morefield Road. He has been driving a bus for two years.

William Engel, Sharpsville, has been driving a bus for Hickory Township for two years. He makes two trips daily to Clarksville and South Pymatuning.

Francis Allison, Greenfield, hauls two trips daily in the evening to Bethel and New Virginia. He is completing his first year as bus driver for Hickory Township.

Virgil Popovitch, Morefield Road, also is completing his first year as a bus driver for Hickory. He hauls two loads daily to Pine Hollow Blvd. and Buhl Farm Drive.



Maintenance Force

The high school maintenance force is headed by Mr. Raymond McClimans, and has a staff of five which includes Mr. William Dietz, Mrs. Eva Parshall, Mr. Charles Mowry, and Mrs. Pritchard. The maintenance force takes care of janitorial work in the high school. They clean and sweep class rooms, wash windows, clean up after basketball games, and make necessary repairs.

Mr. Raymond McClimans is serving his first year at Hickory as supervisor of the maintenance. He replaced Mr. William Orr, former head of maintenance in November of last year. His home is on the Sharon-New Castle Road, Sharon. Mr. McClimans' son James attends Hickory Jr. High School and is an eighth grade student in Mr. Shimer's home room. Mrs. McClimans is a third grade teacher at Hermitage Elementary School.

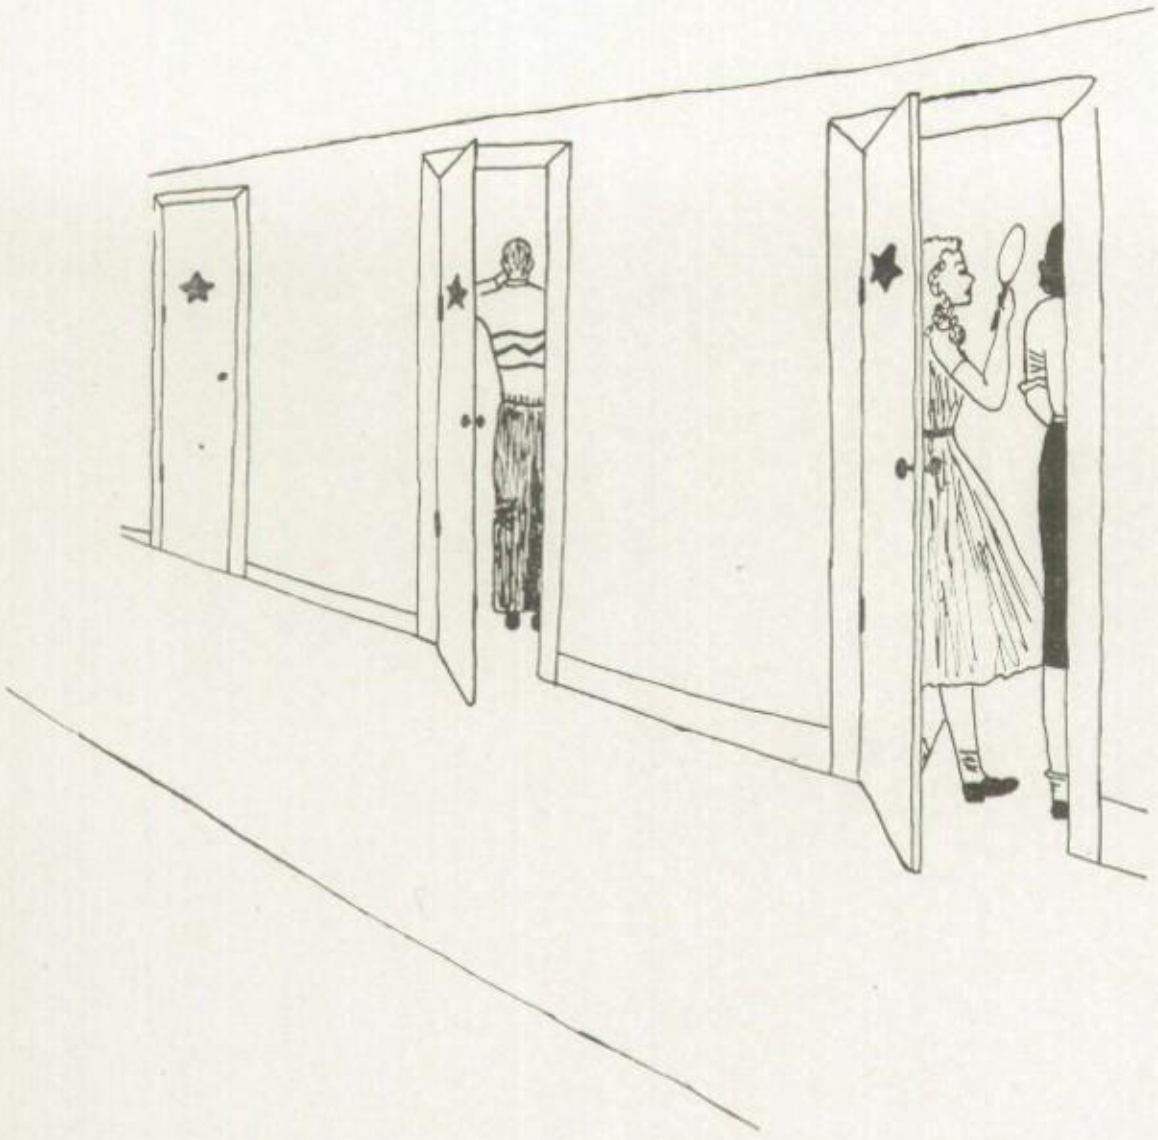
Mr. William Dietz works during the day and has the job of sweeping the floors and steps, firing the furnace, and cleaning on the first floor. In the summer he rolls and mows the lawn. He has been working at Hickory schools for eight years.

Mr. Charles Mowry works in the evening. He cleans the gym and class rooms. If there are any meetings, dances, or other activities going on at the high school in the evening, he keeps the furnace fired.

Mrs. Eva Parshall, Morefield-New Virginia Road, Sharon, works on the third floor during the day. A few of her duties are checking rest rooms, cleaning windows, and sweeping the third floor after school is out for the day. Mrs. Parshall has three boys, two of them, Dick and Dean, in Hickory schools. Her other son, Chuck, is in the United States Navy. This is her first year at Hickory.

Mrs. Pritchard does janitorial work on the second floor on the afternoon turn. She also cleans windows, checks rest rooms, and sweeps the floor. Another of her jobs is cleaning the superintendent's office.

During the three months' summer vacation, the maintenance force does various things. They repaint and refinish desks, furniture, and walls, and clean and wash the class rooms. There are also shrubs to be taken care of and the lawns to be mowed and rolled. They also make any repairs that have to be made.



Our Featured Players

We now have come to the featured players. In all our twelve happy years at Hickory we have dreamed of graduation day, the day when we are alumni. Now that it is here we look back and remember all the work we have done. It has taken a lot of that hard work to become the featured players of "52," but we realize it was well worth it.

This is the last picture that many of us will be making together, but we will go on remembering the enjoyment and comradeship we knew at Hickory High.

JOAN FRANCES ANTUS, commercial student, was a two-year member of chorus and Tri-Hi-Y. Joan was on the junior and senior play committees. She looks forward to graduating and "Shorty's" ambition is to lead a happy life. Her hobbies are dancing and eating. She'll always remember running the switchboard at noon.

LOIS JEAN APPLEGATE, an academic student, considers going to district chorus the most important incident in her school life. Lois was a three-year member of the choir and Tri-Hi-Y and a two-year member of the glee club and girls' ensemble. "Lou" will always remember being football queen and the Allentown trip.

ROSE MARY ARENDAS, a commercial student, was a two-year member of Tri-Hi-Y and was on the prom committee. "Rosie" considered graduation the most important event in her school life. The most remembered incident in "Rosie's" life was coming to Hickory. Her ambition is to get a good job. She can usually be seen with Virginia and Delores.

ANDREW BALKO, a general course student, was a three-year member of Hi-Y and on the student council in his junior year. "Andy" considers graduating the most important event in school life. He can usually be seen with Dave, Rich, Ralph, Bob, Meach, and Steve. Andy's hangout is Joe's.

JOSEPH THOMAS BEES, is planning a navy career. Taking the academic course, he was a member of Latin club, Hi-Y, Science Club, and was on the prom committee. Joe also was on the football team in the ninth grade and manager in the eleventh and twelfth grades. He likes to go fishing, hunting, and swimming.

MARIANNE KATHLEEN BINTZ, an academic student, was a three-year member of the choir, Tri-Hi-Y, and Latin Clubs. Being a two-year member of the girls' ensemble, Science and Spanish Clubs, she served as president of the latter her senior year. Marianne was also selected for the senior class play.

GEORGE WALTER BITTLER, a general course student, played junior varsity basketball and baseball two years; varsity football three years, and was a two-year member of the Hi-Y. "Bit's" hobby is building model airplanes. His most remembered incident was playing a football game in the snow against Grove City.

BEVERLY ANNETTE BODAMER, a home economics student was a three-year member of choir and a two-year member of Tri-Hi-Y and Home Economics Club. "Bev" likes to dance and her ambition is to be a florist. Her hangout is Sam's and she is usually seen with Leona, Bev, and Dot.

WILLIAM JOHN BOGERT, an academic student, came to Hickory from Sharon. He has quite a hobby, taking care of his chickens. Bill can always be found with Posie, Egg, Joe, Teco, or where there is food. Bill played on the basketball team in the tenth grade and his most important event in school is graduation.

TWILA ARLENE BRAINE, a home ec. student, was a six-year member of the band and a four-year member of the orchestra. Arlene was also a three-year F.H.A. member, serving as president her junior year. "Braine's" ambition is to become a nurse and she will always remember the prom party at her home.

JOHN HAROLD BROSS, a general course student, was a two-year member of the band. He likes to roller skate and can often be seen at the Courtland Rollercade. Johnny's ambition is to have his own polka band, and he also desires to own a new car someday. He can remember well the junior prom.

RALPH BURDICK, general course student, was active in sports, playing basketball, football, in which he was co-captain, and baseball. He was a three-year member of Hi-Y and was on the milk crew. While a junior, he starred in the class play. Ralph's hobby is collecting stamps, and he wants to become a baseball player.

RICHARD BURDICK, a general course student, was a member of the basketball and football teams three years, and co-captain in the eleventh grade. He was a member of the Hi-Y and was in both Junior and Senior plays. Rich, a sportsman all the way around, considers Joe DiMagio his ideal and his hobbies are baseball, basketball, and stamp collecting.

JACK ERVIN BUYNAK, a general course student, was a three-year member of the choir and was on the golf team his sophomore and junior years. "Stock" was also in the ninth grade chorus. He names racing and golfing as his hobbies, and his ambition is to be a mechanic. Johnny Parsons is Jack's ideal.

VIOLA JESSIE CALDWELL, usually seen with Phyllis, Mary Jo, Janie, and Marianne, will always remember the Science Club trips. She was a four-year member of the Latin Club and a two-year member of the Science and Spanish Clubs. "Vi's" hobbies are skating, twirling, sewing, reading, and talking.

JAMES LEROY CALVIN, an academic student, came to Hickory in his senior year. Jim was vice president of the Library Club. His hobby was roller-skating at Reynold's Roller Rink and his ideals are Ted Williams and Lou Boudreau. He was usually seen with Rich and Ralph Burdick, Kolbrich, Bittler, and Balko.

BEVERLY FAY CARLY, was a three-year member of the Tri-Hi-Y and a two-year member of the glee club. Bev took the commercial course and her ambition is to become a secretary. She considers graduation as the most important event in her school life. Bev was also on the Prom committee her junior year.

HOWARD RAYMOND CHAPIN, a general course student, came to Hickory in his junior year and considers graduation the most important event in his school life. Ray was on the prom and play committee. He can usually be found at Chuck's Esso Station and pals around with Rich, Tom, and Chuck. He enjoys all sports and his hobby is cars.

CONNIE MARIE CORBIN will always remember the 1951 Junior-Senior Prom. She was a three-year member of the Tri-Hi-Y, glee club, and was on the Hickory Leaf and Nut staff. Connie was also business manager of the Hickory Leaf. Her ambition is to become a nurse and taking pictures is her hobby.

WILLIAM IRWIN CUNNINGHAM, an academic student, came to Hickory from Sharon in his senior year. His hobbies are hunting, fishing, and playing the guitar. Bill was a member of the Spanish Club, Hi-Y, boys' glee club and F.F.A. His ideal is Frank Buck. "Chief" will never forget the trip to Harrisburg with the F.F.A.

ROBERT JOHN DANKANYIN, an academic student, came to Hickory in his junior year from Sharon. "Dunk" was a football player and a member of the Science and Latin Clubs. "Dunk's" ambition is to be a scientist or engineer. He was usually seen with Dave, Bruce, Fritz, and Joe.

SUSIE DENAULT, academic student, was a four-year member of band and orchestra. She was president of Latin Club her sophomore year. Susie attended State Orchestra her junior year, and State Band her senior year. Susie won the "I Speak for Democracy" contest and placed among the six top entrants of Shenango Valley.

EDWARD EUGENE DURNEY, took the vocational course. He was vice president of the F.F.A. and a member for three years. Ed can be found with Jim Feague, Don Wills, John Bross, or at Shady Grove and Hickory Fine Foods. Ed considers graduation his most important event in school and will never forget the junior prom.

RICHARD TILGHMAN EARLE, a three-year member of the football team and four-year member of the basketball team, took the academic course. Swimming, camping, and canoeing are Tim's favorite hobbies. His friend is Miss Bevlyn. Tim's most remembered incident in school was the party he had with Loppy, Cocky, and Shorty in the equipment room in the tenth grade.

DELORES ERDIENE EGOLF, usually seen with Bev Carly and Dorothy Kilgore, was a commercial student whose ambition is to become a telephone operator. "Dee" was a two-year chorus and Tri-Hi-Y member and her ideal is Mrs. Moore. "Dee" treasures the proms and graduation as her most important event in school life.

DEAN ROBERT FLOWERS, an academic student, had the honor of being elected senior class president. He was a member of the projector crew for four years, a three-year member of the Hi-Y, and a two-year member of the Science Club. "Posey" was in the senior and junior play casts. His hobby is women.

JOAN BETTY FOLTZ, a general course student, was a home room representative for the Hickory Leaf staff and a two-year member of the G.A.A. Joan was a senior member of the art department. Her ambition is to become a housewife and she could easily be seen with Connie Corbin and Dorothy Kilgore.

RUSSELL DEAN FRANK, better known as "Flee," was a member of the Hi-Y and on the football, basketball, and baseball teams. His ambition is to be a football player. Russell can be found with Steve Parkany, Rich and Ralph Burdick, or at the Chatterbox.

DAVID GARDNER, a general course student, was a four-year member of the football team and a three-year member of the basketball team and Hi-Y. Dave's ambition is to hunt in Canada. Dave considers graduating the most important event in school life and can usually be seen with Ralph, Joe, Andy, and Russ.

VIRGINIA CATHERINE GEIWITZ, a commercial student, was a two-year member of Tri-Hi-Y and was on the prom committee her junior year. Virginia's hobbies are skating and dancing and she can usually be seen at Reynold's Auditorium or Shady Grove. Her ambition is to be a telephone operator and can usually be seen with Rose or Joan.

DONALD MICHAEL GRIFFITH, a general course student, was in the Hi-Y his sophomore, junior, and senior years. In his freshman year, he played football on the junior high team. Don also was in the junior play. You can often find him down at Chuck's gas station. To be a success is Don's big ambition.

VIRGINIA GUTHRIE, a vocational student, was a three-year member of the FHA and glee club. Ginny's hobby is cooking. She can usually be seen with Mary, Dorothy, Pat, Nancy, Dot, and Betty. The most important event in her school life was graduating, and the most remembered incident was the Allentown trip.

JOSEPH ANTHONY HEINI, took the general-vocational course. Joe also was on the chair crew in the ninth grade and the FFA in the eleventh and twelfth grades. He played on the baseball team and was a three-year member of the Hi-Y.

DOROTHY JUNE HOLLIBAUGH, took the general course. She was a member of the band and orchestra for four years. "Dot" also was a member of the FHA and Tri-Hi-Y, and can be found with Nancy Walker, Arlene Braine, Donna Morgan, Mary Johnson, or Virginia Guthrie. She will never forget the senior prom and getting her band jacket.

AUDENE NAOMI HOLSAPFEL, vocational student, was a three-year member of the FHA and GAA. She was on the milk crew and prom committee her junior year. "Freddie's" hobbies are photography, swimming, and dancing, and her ambition is to be a home economist. The most important event in her school life was the trip to Washington.

ROBERT EDWARD HUNTER, a vocational student, was a three-year member of the FFA and Hi-Y. Bob remembers the Harrisburg trip and considers graduation his most important event in school life. He could usually be found with Joe Heini, George Bittler, and Ed Durney.

MARY ELLEN JOHNSON, a home economics student, who wishes to be a good housewife. Mary was a member of the chorus in the ninth grade and a home economics student for three years. Nicknamed "Shorty," she can usually be found with Virginia Guthrie, Dorothy Kilgore, and Dorothy Hollibaugh. Her most remembered incident in school was graduation.

RALPH JOHNSON, a vocational course student, was a four-year member of the FFA and Hi-Y. "Butch," one of our working boys, can usually be seen at the Valley Mold. During his junior and senior years, "Butch" went to Harrisburg and had a wonderful time. He says there were lots of girls there.

LEONA KEATS, was a two-year member of chorus, a member of sophomore Tri-Hi-Y, and a two-year member of Home Ec Club. Her hobby is dancing and her ambition is to be a beautician. The most remembered incident in her school life was the day their trio got caught playing hookey.

SOPHIE JULIA KEKICH, a commercial student, was in the Library Club eleventh and twelfth grade. She also was on the prom committee and play committee. Sophie likes to dance, swim, skate and can be found at Steve Garchar's dances, her ideal. Her friends are Kay, Beverly, and Leona.

DOROTHY MAY KILGORE, a commercial student, counts graduation as the most important thing in her school life. "Dot" was a three-year member of the glee club and Tri-Hi-Y. She likes sewing and her ambition is to be a good secretary. "Dot" can usually be found with Beverly, Joan, and Virginia.

DORIS JEAN KNOX, an academic student, was a four-year member of the Latin Club, and a three-year member of choir and Tri-Hi-Y. "Knock" also was a member of girls' ensemble. Her ambition is to go to college and her hobby is dancing. "Knock" can usually be seen with Rita, Connie, and Nicky.

NORMAN KOLBRICH, a general course student, was a member of chorus, football, and Science Club. "Norm's" hobbies are hunting and fishing and his ambition is to be a butcher. He considers getting to be a senior the most important event in his school life.

ROBERT LEE LAIRD, a general course student, was a three-year member of boys' glee club and choir. He was feature editor of the Hickory Leaf, a member of the Hickory Nut staff, and on the prom committee. Bob's most enjoyed experience in school was playing the part of Merlin in the senior play.

WILMA JOYCE MABRY, a vocational student, was a three-year member of FHA. She also was on the prom committee her junior year and the senior play committee her senior year. Her hobby is roller skating. The day the FHA went to the ice follies is the most memorable event in Joyce's school life.

DONALD ADAM MARENCHIN took the academic course and was a member of the Science Club. Don, one of the hotrods of Hickory, likes to fool around with cars. His ideals are Dean Martin and Jerry Lewis. Don will always remember the Allentown trip with the Science Club, and his most important event in school is graduation.

CARL ELMER MATTSON, academic student, was a three-year member of Hi-Y and band, two-year member of Latin Club and Science Club, serving as vice president his junior year and president his senior year. He starred in the junior and senior plays. "Egg's" hobbies are sports and women. His ambition is to grow taller.

RITA ANN MAYERNIK, an academic student, was a four-year member of Latin Club and a three-year member of chorus and Tri-Hi-Y. Rita was editor of the Hickory Nut and co-editor of the Hickory Leaf. She was a two-year member of Science Club, and a one-year member of choir and girls' glee club.

JOSEPH WILLIAM McCAULEY, academic student, was a two-year member of Science Club, choir, Student Council and a one-year member of FFA and boy's glee club, serving as president. Active in sports, Joe was co-captain of the football team. His hobby is playing the harmonica, and his ambition is to become something.

MARY ELEANOR McCONNELL, an academic student, was a four-year member of the Latin Club, and a three-year member of the Tri-Hi-Y, serving as president her senior year. She was also a two-year member of the choir and Spanish Clubs. "Mimi" served as president of the junior class.

DUANE EMERSON McCULLOUGH, an academic student, was a member of the football team for two years and manager two years. He also was on the basketball team four years and Hi-Y and Science Club. Dewey likes to hunt, fish and wants to be a success in life. His ideal is Ralph Kiner. Dewey will always remember the Allentown trip.

LEE McELHANEY, a general course student, came to Hickory in his senior year from New Mexico. Lee considers loafing as his hobby. His ambition is to work for Bell Telephone. "Tex" usually chums around with Tim, Chuck, Joe, Ken and Andy. His ideals are Dean Martin and Jerry Lewis. The most important event in his life was graduation.

VERNON BRUCE McELROY, another one of our athletes, was on the football squad for three years. He was a three-year member of the Hi-Y and choir, serving as vice president of the latter his senior year. "Mac" also had the honor of being senior class treasurer. His hobbies are hunting, fishing, and sports.

BETTY JEAN McGHEE, a home ec student, was a three-year member of the Home Ec. Club and a two-year member of the Science Club. Betty was on the prom committee and the senior play committee. She will always remember the trip Home Ec. Club took to Pittsburgh. Betty's ambition is to become a nurse.

SHIRLEY MAE McGINNIS, a general course student, had the honor of being co-editor of the Hickory Leaf and advertising manager of the Hickory Nut. "Shirl" was a three-year member of the Tri-Hi-Y, serving as vice president her senior year, and a two-year member of the Science Club.

JANET ELLEN McKEE, a commercial student, was a three-year member of Tri-Hi-Y, usher for the junior and senior plays, and was on the prom committee her junior year. Janet hopes to be a secretary and her hobbies are reading and writing letters. She considers the Washington trip the most important event in her school life.

MARY JANE McKEE, was a three-year member of the Tri-Hi-Y and GAA. She was also a member of the ninth grade chorus. Taking the commercial course, Mary Jane's ambition is to be a first-class secretary. Roller-skating and swimming are her favorite pastimes. You can usually see Mary Jane with Shirley, Audene, and Betty.

ADRIENNE JEAN MEHLO, a commercial student, was a three-year member of Tri-Hi-Y and was on the prom committee her junior year. She can usually be see at Joe's in Clarksville and her ambition is to work in a big department store. "Addie" was usually seen with Janet, Joan, and Margaret. She likes black Dodges.

CHARLES DAVID MERCHANT, one of our athletes, was on the football squad for four years. Dave was also on the projector crew for four years and a three year member of the Hi-Y, two-year member of the Latin and Science Clubs and was in the junior play. Dave's ambition is to fly an airplane.

ROBERT NICOLAS MIHALCIN, a general course student, hopes to be a mechanic someday. Bob can usually be found at Joe's Service Station. His friends are Ralph and Rich Burdick, Steve Parkany, Russ Frank, and Chuck Troutman. Bob considers graduation the most important event in his school life.

CAROL MAE MILLER, commercial student, was a three-year member of girls' glee club, choir, and Tri-Hi-Y, and a two-year member of the Latin Club. She was also in the girls' ensemble and was on the Hickory Nut staff. "Rellim's" hobbies are photography and swimming. She hopes someday to be a civil service worker.

LARRY LEE MILLER, a general course student, will always remember skipping classes. Results: no honor permit. Larry was a three-year choir member and had the honor of attending Midwestern Chorus his junior and senior year. His hobbies are fishing, hunting, and baseball. Larry also starred in the senior class play.

PAUL MILLER, an academic student, was in the Hi-Y for three years. He was one of the members of the stage crew for the junior play and was also lightman. In his senior year he was the basketball score keeper and took care of the lights for the class play. Paul's hobby is motor cycling.

WAYNE FRITZ MILLER, an academic student, was one of our musicians. He was a four-year member of the band and orchestra and attended both district band and orchestra. "Fuzz" was also a four-year member of the Latin Club, three-year member of the Hi-Y and a two year member of the Science Club.

CHARLES EDWARD MOLASKEY, general course student, was a three-year member of Hi-Y, was band manager, and served on the milk crew. Chuck also was on the prom committee his junior year. He likes to fish, hunt, and race, and his friends are Tom, Don, Ray, Doris, and Nickie. Chuck's ambition is to get married.

DONNA BELLE MORGAN, general course student, was a member of the choir and Home Ec. Club. She was on the prom committee her junior year. Donna's hobby is playing the piano. She also played the piano for the boys' glee club. Another girl with a diamond, Donna can usually be seen with Pat, Arlene, and Edna.

PATRICIA MOSTROG, a commercial student, came to Hickory in her junior year from Sharon. Pat was a two-year member of choir, Library Club, and on the Hickory Nut staff. She considered the junior play the most remembered incident in school life. Pat won the second place in the "I Speak For Democracy" contest.

The Supporting Players

Our supporting players have helped to complete this picture; therefore we have devoted the next section of our yearbook to the underclassmen.

Every earnest actor must start from the bottom and work up. During this time they learn the techniques and gain the experience necessary for their future fame. The same goes for the underclassmen. They are working and studying to become seniors, the desire for every high school student.

They go through the roles of freshman, sophomore and junior, always with their eyes on the hoped-for success of becoming capable seniors.

With this we now present the underclassmen.

Lights, Camera, Action

Lights, camera, action! We now are in full swing with our clubs and service organizations. They help develop the character of the students by adding dignity, responsibility and entertainment to every-day life of the high school student.

The students have an opportunity to join any of these clubs which range from honorary societies to service organizations. Holding an office in a club is an honor to which every member looks forward.

Sponsoring dances and assemblies, selling food at noon, assisting school visitors, showing class movies, aiding the secretaries, and setting up chairs in the gym are some of the activities of the clubs.

Row 2—Pauline Miller, Chuck Molaskey, Mr. Reimold, Don McCullough, Chester Seidle.

Student Council

The aim of the Student Council is to prepare students for future life in a democratic country and develop the characteristics of a good citizen. There are twelve members in the council. The seventh and eighth grades do not have voting powers, but enter into all discussions.

The council sponsors magazine campaigns, Red Cross, community drives, charters buses for both basketball and football games away from home. They also sponsor the homecoming dance and crowning of the pig-skin queen.

Other activities of the council are: Sadie Hawkins Dance in which everyone enjoys themselves with round, square, and polka dancing. There are refreshments served. Pep assemblies are held so that the students will have a chance to get together and show the cheerleaders that they will help to support the team. Paid assemblies are held in which they have special speakers, comedy, or magician shows.

School dances are needed so that the students will have a chance to learn how to dance if they do not know how and get to know more of the kids that they thought they did not know at all.

The Honor System is the most important of all. The student is given an honor permit that he must have with him at all times. The permit must be shown to the teacher before he is to give a yellow pass. The permit may be taken away from the student if he breaks any of the laws set by the council. This system gives everyone the right of responsibility.

The council is directed by Mr. Reimold, Naomi Starkey, president; Joe McCauley, vice president; Skip Mathieson, secretary; Ronnie Puntil, treasurer. The ones on the Student Council were chosen by the class members.

Left to right—Skip Mathieson, Secretary; Ronnie Puntil, Treasurer; Naomi Starkey, President; Joe McCauley, Vice President.

Science Club

Proving to be one of the most active clubs in the high school, the Science Club was organized in 1944 and is advised by Miss Minnie Bevlyn. The club is a member of the Pennsylvania Junior Academy of Science which meets annually over the Easter Vacation. Forty-five members, accompanied by Miss Minnie Bevlyn, Miss Betty Singer and Mr. T. D. Stewart, journeyed to Carlisle for the convention of 1952. It is the custom of the club to visit some historical place of interest while on this trip and this year the club visited the state capitol and other governmental buildings in the city.

Some of the activities of the club have been an assembly and radio program, a hot lunch for the student body twice a week, and regular monthly meetings. At the assembly program a check for one hundred dollars was presented to Mr. Reimold to purchase equipment for the science department.

Row 2 — Della Stinedurf, Mary Burnett, Mary Jo Hazlett, Bob Laird, Connie Corbin, Steve Parkany, Carl Black.

Student Publications

Work for the 1952 year book began shortly after Christmas with the subscription campaign and advertising sales. The sales of advertising helped finance the year book. Jim Scott was high salesman for advertising.

Year book staff members, advised by Mr. Jack Shimer, include Rita Mayernik, editor; Shirley McGinnis, advertising manager; Connie Corbin, business manager and extra curricular editor; Steve Parkany, sports editor; and Bob Laird, name identification editor. The rest of the year book staff was made up of members of the senior class.

During the subscription campaign a skit was written and produced by the senior journalists and presented to the high school during a pep assembly. This was to help increase year book sales. A contest was also given to see which home rooms could secure a 100% in sales. An ice cream treat was given to rooms 13, 20, and 21 for accomplishing this.

A full time schedule was planned for the senior journalism class when editing the school paper, the Hickory Leaf. Staff members include: co-editors, Rita Mayernik and Shirley McGinnis; business manager, Connie Corbin; advertising manager, La Wanda Morrison; sports editor, Steve Parkany; feature editor, Bob Laird; exchange editor, Della Stinedurf; circulating manager, Mary Burnett; and reporters, Mary Jo Hazlett and Karl Black.

The five senior members of the journalism class made a trip to Pittsburgh to a year book cover display by S. K. Smith Co. in the William Penn Hotel. They also toured the Pittsburgh Post Gazette. The Adcraft engraving plant was another trip enjoyed by the class. Class projects were also attempted by the junior and senior journalists.

Row 1: seated left to right—Rita Mayernik, Steve Parkany, Shirley McGinnis, Dolores Parkinson.

Library Clubs

Year two of the Hickory High School Library Club found the organization well established and experienced. The Junior High Library Club was a welcome addition this year to the club congregation. They were taught, by Mr. Green, the library procedure one period each week, in addition to one period of practical work in the library.

Officers were elected at mid-year and they include: Shirley Barnes, president; Jim Calvin, vice-president; Nancy Kilgore, secretary; David McKay, treasurer; Jim Jansco, program chairman.

During National Book Week the Library Club presented a radio program over station WPIC entitled "Why Are Library Lessons?" The program was designed to bring potential library customers to an awareness of the vast amount of information which can be readily obtained from reference books such as "Political Dictionaries," "Almanacs," "Yearbooks," etc.

Also an addition was added to provide a spacious reading room for the students where educational magazines were displayed.

Seniors who received library letters for two years library service are: Jim Calvin, Pat Mostrog, Connie Corbin, Ethel Selenchik, Dolores Parkinson.

The library club performs an important service for the school.

Hickory Band

Band Managers—Don Williams and John Short. (Not pictured is Jim Miglin.

The Hickory High School Band under the direction of Mr. Cohen started the season out a few weeks early by marching in two parades during the Farrell Golden Jubilee. The civic parade brought them a beautiful trophy, for the outstanding band and the other was the firemen's parade in which they won second place and also $40.

Football season! Of course, the band is always behind the team. They performed during the half of all the games. During this time the band is led by the very capable drum major, Phyllis Taylor. Phyllis came to Hickory in her senior year from West Middlesex. The band also plays at all the home basketball games.

The band gave a spring concert at Hickory, West Middlesex, and in Hempfield Township. In January the band helped in a special "Club Hickory" from which all proceeds went to the March of Dimes. The band not only takes part in the school radio programs, but was on the Sharon Steel program on April 6.

Members who attended the Mid-Western District Band in Knox, Pennsylvania, on March 27 through the 29 included: Susie Denault,

Charles E. Farnicorn, Your East Hill Jeweler, Sharon, Pa. Phone 26126

Row 7—Craig Brown, Betty Jane Wilhelm, Wayne Miller, Jim Carlson, Hillis Krichko.

And Orchestra

Pauline Gibson, Pat Hromyak, Barbara Shannon and Frances Youel.

The officers for the band and orchestra include: president, Betty Jane Wilhelm; vice president, Wayne Miller; secretary-treasurer, Arlene Braine; historian, Betty Tipton; librarians, Joanne Shull, Norma Jean Allen and James McClimans.

The band managers, James Miglin and Don Williams, deserve much credit for the work they performed during the year. They have the job of setting up the equipment for the band in the morning.

The seniors who received jackets were: Arlene Braine, Susie Denault, Dorothy Hollibaugh, Wayne Miller, Betty Tipton, Nancy Wentz, Shirley Wheaton and Betty Jane Wilhelm.

Susie Denault and Betty Jane Wilhelm are planning to attend music school. Susie plans on going to Eastman school in Rochester, New York and Betty Jane to DePaul University at Chicago.

The orchestra, another musical group, has been directed by Mr. Cohen since 1938. It plays for baccalaureate and commencement, also selections for the junior and senior plays.

Members who attended the district orchestra at Greenville on January 10 through to 12 include: Susie Denault, Pauline Gibson, Dianne Miller, Joe Parimucha, Barbara Shannon, Betty Tipton, Judy Trnavsky, Shirley Wheaton and Frances Youel.

Betty Tipton and Susie Denault attended state orchestra at Williamsport, Pennsylvania, in January.

The seven juniors who received letters were: Mildred Benic, Craig Brown, Howard Garrett, Pauline Gibson, Hillis Krichko, Ann Panin and Frances Youel.

The orchestra and band held a Halloween party at the Hickory High Gymnasium from 7:30 to 10:30. The West Middlesex band was their guest for the evening.

The band and orchestra were guests at one of the Cleveland Indian baseball games. They also visited the art museum, where they saw many beautiful and historical pictures.

The instrumental department gives free lessons on a choice of instruments and provides a music appreciation course.

Choir and Girls' Ensemble

Under the direction of Miss Marion Buchanan, better known as Miss B., to all choir members, the senior high school concert choir was organized in 1949 and is composed of 56 students whose voices blend in singing popular and classical music. The choir has sung for the Parent-Teacher Association, the First Methodist Church in Sharon and during the Christmas season enjoyed caroling. Donna Morgan and Mary Ann Simpson accompanied the choir on the piano.

The officers of choir are: Larry Miller, president; Bruce McElroy, vice president; Gail Smock, secretary-treasurer; Jacob Kolbrich, business manager; Marianne Bintz and Lois Applegate, librarians.

Larry Miller, Lois Applegate, Gail Smock, Bud Zagger and Dick Dermond, along with Miss "B," attended the Mid-Western Music Festival held at Ambridge, Pa., where they represented Hickory High School.

The Girls' Ensemble is composed of twelve girls, which are also under the direction of Miss Buchanan, have made several public appearances during the year. A Christmas program at the First Methodist Church in Sharpsville, several selections for the Sharon Women's Club, Club Hickory, and the First Methodist Church in Sharon. The girls are accompanied by Mary Ann Simpson. Donna Morgan assists her.

Each year at the Spring Choral Festival both groups sing.

Glee Clubs

The Hickory High School Glee Clubs are under the direction of Miss Marion Buchanan, who is in charge of the entire vocal section.

The Glee Clubs have greatly expanded during their second year, adding a total of 15 new members to the Boys' Glee Club and over 30 additional members to the Girls' Glee Club. They were able to practice only one period a week each, but this did not hinder the exceptional appearance that each made in the Spring Choral Festival. Since the weatherman was not on our side this past year, the Glee Clubs were unable to present us with their Christmas Program, which had taken them months of diligent work.

The Boys' Glee Club was made up of 45 voices, some of which were new additions to the school, as well as to the Glee Club. A few of the well-known songs which the Boys' Glee Club presented in the Spring Choral Festival were: "Brothers Sing On"; "The Halls of Ivy"; "Stouthearted Men"; and "Keep in the Middle of the Road."

The officers of the club were president, Joe McCauley; vice-president, Robert Laird; secretary-treasurer, Ronnie Puntil; librarians, Dick Shepard and Jake Kolbrich.

Another musical group, was the Girls' Glee Club composed of a blend of 89 voices.

The favorite songs presented by this group at the Spring Choral Festival were: "Sweet and Lovely"; "Evening Song"; "Jesus, Our Lord, We Adore Thee"; and "Pretense."

The officers of the Girls' Glee Club were president, Dolores Sulecki; vice-president, LaWanda Morrison; secretary-treasurer, Evelyn Dankanyin; librarians, Treesa Guster and Judy Hodge.

This year the Junior High Chorus was under the direction of Miss Marion Buchanan who has been at Hickory for the last four years. The chorus is divided into two separate groups. The first group is made up of members of the ninth grade who wish to take part in any activities in which the chorus is participating. This group is called the Ninth Grade Chorus. The second group consists of members of the seventh and eighth grade and they also take part in any of the activities; this is the Seventh and Eighth Grade Chorus. In the fall of each year any student who is interested in becoming a member of the Junior High or Senior High Choir has an equal chance to obtain his goal. The members of the Chorus and Choir are chosen from their individual music classes and according to their music ability and how much cooperation they show toward the goal.

The 1951 and 1952 Seventh and Eighth Grade Chorus consisted of 182 members in all, 90 members were taken from the seventh grade and 92 members from the eighth grade. This year's public appearance made by the Junior High Chorus was made on the evening of April 25 at the Annual Spring Choral Festival held in the Hickory High School Auditorium. Very few rehearsals were held before the festival because the music presented by the chorus was practiced in each individual music class. The accompanist for this Junior High Chorus was Anna Kautz.

The Ninth Grade Chorus is made up of approximately 90 members of the freshman class. This group had made two public appearances during the year. During an assembly at which the most outstanding freshman boy and girl were given awards from the University Club of Sharon, the chorus presented several selections during the assembly. The ninth grade chorus also made public appearance at the Spring Choral Festival held at the high school and delighted the audience with many popular and old folk selections. It is from this freshman chorus that many of the new members of the Senior High Choir are chosen. Margaret Finzel accompanied the chorus on the piano at all rehearsals and at all their public appearances they had during the 1952 year.

The main purpose of the Junior High Chorus is to present to all the public at least a practical picture of what the students of Hickory High School are doing in the field of music. These groups represent the Junior High School Music Classes.

Both the Freshman, Seventh and Eighth Grade Chorus wish to express their appreciation to Miss Buchanan for everything she has done for them in making their public appearances successful ones.

Tri-Hi-Y Clubs

The junior and senior Tri-Hi-Y are organizations composed of girls from the junior and senior classes with the purpose to develop friendship, loyalty, and service in the school and the community. Their motto is, "Pure Thoughts, Pure Words, and Pure Deeds."

The senior officers were: Mary Eleanor McConnell, president; Shirley McGinnis, vice-president; Dolores Parkinson, secretary; Shirley Wheaton, treasurer; and Edna Zipay, chaplain.

The "Heart Hop," the annual Valentine Dance, at which Naomi Starkey reigned as Valentine Queen, brought a crowd of young guests from many neighboring schools including many students from our own school. Larry Miller, Marianne Bintz, Robert Laird, and Bruce McElroy sang "Sweetheart of Hickory High" while Naomi was being crowned by the Hi-Y president, Steve Parkany. A floor show, including talent from several other schools of the valley, provided entertainment during intermission. Mrs. Robert Rung was the adviser of the club.

The junior Tri-Hi-Y was under the leadership of Mrs. Patterson. The club presented to the entire high school a Thanksgiving Program, at which a teacher from Thiel College was the main speaker. In January the club gave a radio program entitled, "Universal

Row 5—Peggy Shacklock, Dorothy Gourley, Helen Ballard, Carol Miller, Patsy Marso, Nancy Miller, Ruth Jones, Mable Winner, Susan Tebelak, Esta Mae Javens.

Declaration of Human Rights." It also sponsored the "Sock Hop" the annual Christmas Dance.

The Club completed last year's project of buying new mirrors for the shower rooms. This year's project was giving medical assistance to a needy girl.

The officers were: Polly Trnavsky, president; Evelyn Grega, vice-president; Bonnie Greer, secretary; Frances Von Strohe, treasurer; Mary Lou McFarland, chaplain; and Betsy Hutcheson, program chairman.

The sophomore Tri-Hi-Y at their first meeting chose Anita Valles to serve as their president and placed upon her the task of leading their group in their many deeds of service.

Other officers elected were: Marjorie Smock, vice-president; Sylvia Horvath, secretary; Helen Vodinechar, treasurer; and Florence Walsh, chaplain. The adviser to the club is Miss Jean Moore.

In September, an impressive candlelight service was held to install the members and officers of the club.

The official colors of the Tri-Hi-Y are red, white, and blue, signifying sacrifice, purity and loyalty. The objective of the club is "To seek-to find-to share" and the purpose is "To create, maintain, and extend, throughout the school and community, high standards of Christian character." Along with self improvement, an equally important purpose is performing a service through which the club helps needy individuals.

On March 15, in a beautifully decorated gym of green and white, the sophomore Tri-Hi-Y sponsored a dance, "The Shamrock Shuffle," honoring the "Ides of March." As many students from various schools of the valley looked on, "A Little Miss Irish" who reigned at the dance was chosen by a drawing of the admission ticket stubs, and was crowned by her date of the evening. Joe McCauley ably served as Master of Ceremonies for the show. For the program, Wayne Miller presented several trumpet selections; and a tap dance was given by Charlotte Marshall. A "Beauty Shop Quartet" consisting of Connie Heilman, Jackie Cloud, Marjorie Smock, and Barbara Shannon, all Tri-Hi-Y members, sang several songs. Dancing was to recordings.

During the year the club also had a radio and an assembly program. In January, carrying out their theme of service, the members of the club sealed envelopes for the tax office.

At the beginning of each school year it has been the custom of all Tri-Hi-Y clubs to select a project as a goal for the coming year.

This year, after much consideration, the sophomore Tri-Hi-Y decided to make theirs a project in their own school. A committee was appointed to purchase large waste cans to be distributed out of doors.

Using "pure words, pure thoughts, pure actions" as their motto, the Tri-Hi-Y is an organization composed of high school girls under the sponsorship of the Young Men's Association. The Tri-Hi-Y is a companion organization to the Hi-Y club for boys.

In the latter part of the school year all members received their Tri-Hi-Y pins, emblems and official membership cards.

HI-Y

The Hi-Y Club is a group of boys that works in unison with the Young Men's Christian Association.

Each year the boys have charge of trimming the annual Christmas trees in the halls. They also sponsor a clean-up campaign in the halls and lockers. The Hi-Y sponsored the Thanksgiving radio broadcast.

The boys each year sponsor a Valentine Dance in which the president of the club has the privilege of crowning the queen who has been chosen by the senior high. A dance is held in her honor in which other students are invited.

The club each year sponsors the basketball tournament. The club had an assembly in which Mr. Camble was the main speaker.

The Hi-Y club sent Tim Earle and Lee Reichard as delegates to the Pre-Legislature for the purpose of electing delegates to the Hi-Y Model Legislature. Tim and Lee were elected as delegates to the House of Representatives. They both went to the Hi-Y Model Legislature held at Harrisburg on the 14th and 15th of March.

Lee Reichard and Larry Miller were sent as delegates to the Hi-Y convention held at Camp Kon-O-Kwee Hi-Y Officers' Training School. While at the meeting the boys had a very enjoyable time. They had round table discussions on "How to earn money for the club," also "How to get more interest in the Hi-Y."

They were put into groups in which they all shared the same cabin and sat at the same table. There was a chairman chosen for each cabin in which they talked about the things they had done that day. There were activities for the boys such as: basketball, football, and swimming. Before closing the day each boy in the cabin gave a short prayer.

The district Hi-Y rally was held at Sharon in which Farrell, Hickory, Sharpsville, Mercer and other district Hi-Y and Tri-Hi-Y clubs were invited to a dance and other entertainments were enjoyed.

The officers of the Hi-Y club are: Adviser, Mr. Stewart; president, Steve Parkany; vice-president, Sam Jeffries; secretary, Larry Miller; treasurer, Lee Reichard.

The Sophomore Hi-Y club is advised by Mr. McBride. The club has also helped the junior and senior Hi-Y in trimming the Christmas trees.

On May 22 the boys had a radio broadcast, "The Touchstone."

The officers are president, Edwin Keller; vice president, Al Tate; secretary, Bob Beader; treasurer, Don McCullough.

Donnelly's Golden Dawn Store, One-half mile south of Hermitage

Latin Club

Sixty three members of the Latin Club, from grades 9-10-11 and 12 have had many good times together with Miss Helen Louise Craig, adviser, at monthly meetings in room 19.

Initiation was one well-remembered incident, held during the January meeting. Everyone except those initiated will agree that the egg and molasses shampoos, red painted faces, and sopping wet clothes were very becoming. Wayne Dickinson thought if sawdust was mixed with the molasses it would be easy to clean up but as it turned out nothing was too easy. On the day following initiation, Mrs. Horsman's students in room 19 had quite a difficult time finding their own desks.

Officers of Latin Club are required by the club constitution to be current second-year Latin students. They are: president, Barbara Shannon; vice president, Jim Carlson; secretary, Connie Heilman; treasurer, Jackie Cloud. Essentials to the success of the club are the active committee chairmen: social, Connie Corbin; Pittsburgh trip, Shirley Hynniman; radio program heard May 8th, Margie Smock; and banquet held May 20, Mary Ann Marenchin.

Class projects of first and second year students were anything but dull. The second year students engaged themselves with work on a Roman home with movies and strip films showing the interior and exterior of a house. Meanwhile the first year students were enlightened by class spell downs, maps and drawings. Individual projects were made for the "Ides of March."

Student teachers assisting in these projects were Miss Doris Saddler and Miss Clara Rankin.

Fifty-five Latin Club members attended the thirteenth Annual Latin Festival at Pittsburgh's Buhl Planetarium. At the Planetarium students viewed exhibits made by surrounding schools and attended an hour's length sky show. Two educational films were presented in the Lecture Hall. One was "Pompeii and Vesuvius," the other, "Rome, City Eternal." "Mr. Mercury," played by outstanding Latin students from schools of the Pittsburgh region, was another afternoon feature. Free time was also given to the students for shopping.

There was quite a bit of humor on the bus after leaving the Planetarium and while driving to the museum. At the museum they ran into George Boles, a four year member of the Latin Club, who is now a pre-dental student of the University of Pittsburgh. They returned home at 12:00.

The Latin Club is now an established chapter of the Junior Classical League.

The Latin Club banquet, semi-Roman style, was the final feature for the year, held May 20 in Room 16.

Spanish Club

The purpose of the Spanish Club is to promote better understanding between our country and other Spanish speaking countries. It also serves as a means for Spanish Club members to meet socially and get better acquainted.

The club had its yearly Christmas Party at Mary Eleanor McConnell's where they watched television, dancing and other entertainment were enjoyed. Refreshments were served to the members.

Other events of the club were the initiation of the new members held at Mrs. Miller's farm at Mercer. Chairman of the initiation was Dolores Sulecki. The new members were first blindfolded, then painted, powdered, and perfumed, after which, still blindfolded, they were loaded into a truck and groups were dropped off on a lonely road near a cemetery for a scavenger hunt.

After everyone had made it back to the farm, a raw egg was placed in the victim's pockets. They were then seated upon a horse (backwards). If the egg survived it was then smashed by a member personally.

Their hands were then dipped in molasses and they were made to crawl over the barn floor on which tomatoes were scattered (rotten), then through stacks of hay, one huge one, and forced to jump into a smaller one. The surviving members were served refreshments.

Each member of the club has sent fifteen cents to the International Students' Society where they may write to any boy or girl of any religion in the other Spanish speaking countries.

One of the activities of the club was a box social in which the girls were to make a box and then it was sold to the highest bidder and that would be the girl's partner to eat with. Dancing was also enjoyed. A radio broadcast, the Pan-American Highway, in which there was some breath taking adventures, laughter and comedy was another activity.

In March a Penny Carnival was sponsored by the Spanish Club for the enjoyment of the public, there was: basketball by Betty Jane Wilhelm; dance concessions by Dick Collins; fortune telling by Dolores Sulecki; penny pitching by Craig Brown; fun-house by Martha Weller; Pauline Gibson and Dick Sheppard, chairmen; change by Doris Knox and Naomi Starkey; refreshments by Mary Eleanor McConnell and Viola Caldwell. Other sights at the Penny Carnival were darts, stage show, movies, and telegram booths.

There are sixteen members in the club. They work together in the activities they sponsor.

The Spanish Club has been directed by Mrs. Miller since 1942. The officers of the club are: president, Marianne Bintz; vice president, Betty Jane Wilhelm; secretary, Viola Caldwell; treasurer, Bill Cunningham.

Home Ec

The Future Homemakers' Club is a national organization of girls studying homemaking in the senior high school, with the purpose of promoting the appreciations and joys of homemaking and encouraging democracy in the home and community. The program of the Home Economics Department develops the pupil for leadership in the home. It also provides wholesome recreation for the individual and a group.

The colors of the FHA are red and white. The club's flower is the rose. The colors, red and white, are symbols of youth, with the courage to succeed.

The club emblem is octagon in shape, having on it, a house supported by two hands, one of the mother and the other of the father, which symbolizes that it takes two to achieve a home. The emblem also bears the name of the club, "Future Homemakers of America," and the club motto, "Toward New Horizons."

The FHA Club is composed of sophomore, junior, and senior girls. The study included: child care, related arts, selection, repair, construction, and design of clothing, foods, nutrition, budgeting, family finance, food preservation, home management, house care, consumer education, textiles, house planning, safety education, personal development, and interior decorating.

The officers of the club were: president, Patricia Missik; vice president, Donna Belle Morgan; secretary, Betty McGhee; treasurer, Beverly Thompson, and the adviser is Miss Dorothy Hovis.

The club sent delegates to the annual State Future Homemakers of America Convention in Pittsburgh, which was held March 21 and 22.

The committees for the year were:

Money making: Virginia Guthrie, chairman; Beverly Thompson, co-chairman; Audene Holsapfel, Mary Johnson, and Mary Ellen Templeton.

Program: Donna Morgan, chairman; Arlene Braine, co-chairman; Phyllis Taylor, Doris Diefendorfer, Clara Finzel, and Catherine Lado.

Social: Sarah Ball, chairman; Kathryn Hunyadi, co-chairman; Marilyn Sankey, and Flora Hayla.

Game: Nancy Walker, chairman; Dorothy Hollibaugh, co-chairman; Dorothy Sulecki, Beverly Bodamer, Leona Keats, and Beverly Young.

Decoration: Bernice Williams, chairman; Virginia Thompson, co-chairman; Kathryn Nettinger, Joyce Mabry, Betty McGhee, June Mabry, and Sharon Homer.

The calendar for the year was: October: a Halloween party and sophomore initiation . . . November: Mr. Smock, owner of Smock's Dry Cleaning, spoke to the club about the way garments are cleaned . . . December: The club held its annual Christmas Party . . . January: came the long awaited moment for the newly initiated member, the receiving of pins, bracelets, and rings . . . February: a skating party was enjoyed by all . . . March: Mrs. Stewart from the Sharon Store spoke to the girls about the selection of garments . . . April: Mrs. Scott spoke to the girls about hair styling . . . May: The annual Mother-Daughter Banquet.

The club made extra money by having a bake sale. After the cold weather set in, the girls served chicken noodle and tomato soup to the entire high school.

Future Farmers of America

The Future Farmers of America at the Hickory School have been taught by Mr. Lacy Enterline since 1943. It is a study of planting and growing. The club is a non-profit organization. The boys are taught to conduct their own meetings and to do things in an organized way.

Each year the boys go to different fairs and contests in which they get to meet boys from other counties. There were fourteen boys who went to the State Farm Show at Harrisburg. Dick Parshall represented Hickory in the FFA Band at the farm show and Dale Polley won a gold medal for beef. The group also attended the Butler Feeder Sale held in October.

The boys also do shop work in which they work on farm machinery and make lawn chairs, book shelves and other things. They play intramural basketball with other FFA groups of the county.

During the summer the boys have projects such as corn, vegetable gardens, poultry meat, small grains, and swine in which they keep records of the sales and income.

FFA week was held at Penn State and was enjoyed by three seniors, Joe Heini, Ralph Johnson, and Jim Young. Demonstrations of cattle were shown to occupy the time. They stayed in the college dormitory.

The boys also have sold ice cream to the entire high school and new elementary building. This has been one of their regular activities since 1947.

All the chapters of Mercer, Butler, and Beaver areas met at Slippery Rock State Teachers College where all activities of a farmer were involved. The main purposes of the club are: 1. To develop competent, aggressive rural, and agricultural leadership. 2. To create and nurture a love of country life. 3. To strengthen the confidence of farm boys and young men in themselves and their work. 4. To create more interest in the intelligent choice of farming occupations. 5. To encourage members in the development of individual farming programs and establishment in farming. 6. To encourage members to improve the farm home and its surroundings. 7. To participate in worthy undertakings for the improvements of agriculture. 8. To develop character, train for useful citizenship, and foster patriotism. 9. To participate in co-operative effort. 10. To encourage and practice thrift. 11. To encourage improvement in scholarship. 12. To provide and encourage the development of organized rural recreational activities.

The officers of the club are: Lacy Enterline, adviser; Stanley Winner, president; E. Durney, vice-president; Jim Feague, secretary; Dale Polley, treasurer; Bob Hunter, reporter.

Row 2—Hillis Krichko, Kenny Hillman.
Row 3—Mrs. Rung, Treesa Guster.
Row 4—Lois Miller, Bonnie Greer, Philip Atkinson, Bill Auchter, Clara Stull, Flora Hayla, Sara Ball, Catherine Hunyadi, Bernice Williams.

Milk and Chair Crews

When you hear the clanging noises the fourth period, it is the students of the junior class delivering milk on the first, second, and third floors. These students collect money for the junior class by selling milk so they can have the prom or to have money for any problems. The milk crew is picked by the junior class adviser Mrs. Rung. When they are short of milk, they replace it the next day. These students did a wonderful job, and should be given a great deal of praise.

Another service to the school is the chair crew. When an announcement comes over the public address system, the boys leave their classes and set up the chairs or whatever other duties they have. The chair crew is made up of seventh and eighth graders. These boys are picked by Mr. Gaus. Mr. Gaus is the head of these boys and his boys did a very good job every time they were called upon. They deserve a lot of credit for our assembly programs to be carried out.

These are only two of the services supplied to the school by the student body. These boys and girls receive no pay and the only enjoyment they have is when they are excused from classes to deliver milk and this does not happen very often. The student body hopes to continue receiving these services.

Chair Crew

Row 1: seated left to right—Bill Gaugh, Jack Work, Don McCullough, Philip Atkinson, Bill Grimm.
Row 2—George Kraynak, Robert Kamensky, Wayne Jarrett, Elroy Holsapfel, Robert Rickert, Harry Fette, George Christy, Tom Doughton, Mr. Jack Gaus.

Row 3—Don McCullough, David Hilliard, Dean Robb, Roland McCullough, Rodger McCullough, Edwin Keller, Dale Keller, Paden Young.

Row 4—Bud Zagger, Sam Marino, Ray Hazlett, Karl Johnson, Joe Parimucha, David O'Mahen, Clinton Graham.

Row 5—Dick Collins, Philip Atkinson, Bill Grimm, Dale Polley, Dan Fentress, Harry Fette, Walter Jarrett.

Row 6—Bill Parker, John Urban.

Projector Crew and Receptionists

"Good morning," or "may I help you please?" may seem strange to a person visiting our school, but this is only a receptionist's greeting. Any student in the junior or senior high school has an opportunity to apply for the position of a receptionist. A board consisting of Miss Artman, Mrs. Tarr, and Mr. Reimold select the best qualified students. There are two receptionists on each floor with a captain for each period who is responsible for the receptionists under him.

The captains include: Pat Moody, Nancy Miller, Viola Caldwell, Dolores Egolf, Joan Antus, Naomi Starkey, Shirley McGinnis, Mary Eleanor McConnell, Shirley Hynniman, Robert Tate, Betty Rowe, Jane Antus, Carl Mattson, and Dewey McCullough.

It is the duty of the receptionist to receive all visitors coming into the high school with courtesy and to assist the students and teachers in any way possible. This newly organized system is under the guidance of Mrs. Sara Tarr and supervised by the Student Council.

The projector crew, consisting of junior and senior high school students, are advised by Miss Helen Louise Craig and captained by Dean Flowers who is in charge of the public address system for assembly programs. Other duties of the members include oiling the machines, by Edwin Keller, Dean Robb, Roger McCullough, Roland McCullough, and Dale Keller. Bud Zagger and Dale Keller tape radio programs each Thursday, and Ronnie Wolf repairs the cords.

110 films have been shown in junior and senior high departments, which consist of science, home economics, social studies, health, business education, English, Spanish, and geography. This year the News Magazine of the Screen sponsored by the Pittsburgh Press, brings current events to the classes. The permanent library has been increased by 11 new records for the English department.

The requirements of the members are cooperation with the captain, courtesy to the faculty, and other members, responsibility for equipment, and good scholastic standing.

Monitors

Row 1: left to right—Pat Moody, Gloria Bundy, Naomi Starkey, Duane McCullough, Shirley McGinnis, Viola Caldwell, Shirley Hynniman, Mrs. Tarr.

Row 5—Bob Tate, Ed Parker, Fred Snyder, Carl Mattson, Larry Miller, Bruce McElroy.

Office Aides

Left to right—Bonnie Greer, Connie Treantenou, Nancy Henderson, Gail Smock.

Office Aides

The duties of the office aides are helping in the principal's office, doing general work, such as distributing the morning bulletin, and helping Miss Betty Lou Artman and Miss Jane Gilliland.

Bonnie Greer takes care of delivering supplies to the teachers and for the office. Nancy Henderson can be found delivering the morning bulletin.

Gail Smock and Connie Treantenou can be found helping Miss Artman. They also help some of the other teachers. All the office aids run errands such as checking the students to see if they are in school. They also take passes to the students if they are to be excused from school.

The main purpose of the switchboard opertors is to take care of all routine calls. It is also their duty to get in contact with the party the caller wishes to speak with.

They also help Mrs. Dorothy Hans in making announcements over the public address system, running errands, sealing envelopes, and other office duties.

The one period per day which the girls spend in Mr. Delahunty's office is enjoyed very much because of the interesting work.

The ten girls on the switchboard are taught the operation of the switchboard by Mrs. Dorothy Hans.

Switch Board Operators

Hickory Sports-Reel

In this section you will find the basketball, golf, baseball and football teams. They are the high school's pride and joy. The students stay behind the team as one whole supporting cast, who love their team and stay with the boys, win or lose. Hickory's good sportsmanship is an Oscar they have achieved and are working proudly to keep.

The cheerleaders are also presented in this section. They are girls, full of pep, whose job is to lead the students in cheers during the games and at pep assemblies.

Team's Record

At the first of the season the Hickory High Hornets were rated among the top contending teams for County Class A Championship. Under the coaching of Chuck Snyder the boys tried to do everything he asked. In practice there was brutal tackling, hard hitting, and fast running. The brand of football was the best shown in two years. The boys showed more determination, courage and skill than in the past. The line, not too heavy, slowed every team in the county but no one knew why the defense went to pieces after half time. The front wall included Robert Dankanyin and Joe McCauley at ends, Norman Kolbrich and Bud Zagger at tackles, Butsy Atkinson and Carl Fette at guards and Sam Jeffries at center.

The backfield was also light but showed up well in passing, punting, extra-point kicking and line-plunging when it was used. The backfield included, Skip Mathieson at quarterback, George Bittler and Dave Merchant at halfbacks, and Don McCullough at fullback. The first game as played at Sharon with the Franklin Nursery and they met with the first defeat of the season 18-6. It looked like the Hornets were going to have a good year; however, a few boys were put out of commission in the latter part of the game.

Next they met a powerful Greenville team which defeated the Hickory High Hornets 40-6. The next week was a county game with the Sharpsville Blue Devils in which they defeated the Hornets 19-7.

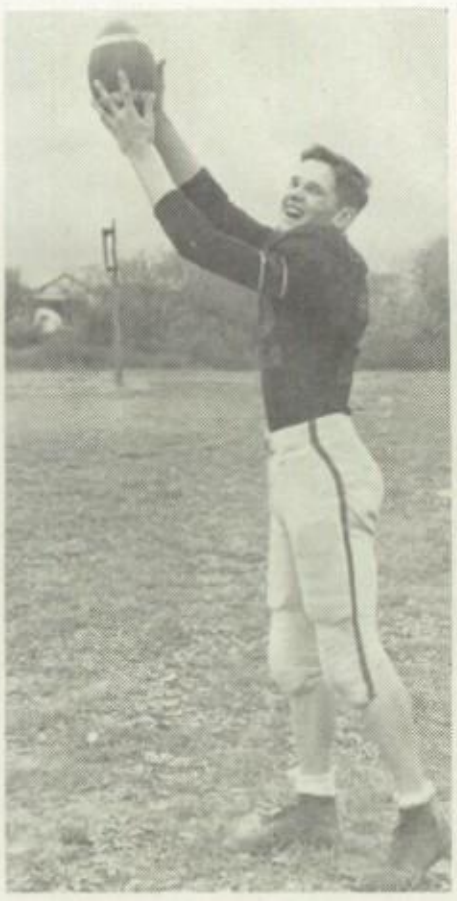
The following week the boys met up with the Millcreek Eleven. The Hornets held them scoreless for three quarters and it looked as if the Hornets were going to have a victory. The Hornet team held them to only 65 yards in the first half but the Millcreek Eleven roared back to deal the Hornets a stinging blow 19-13.

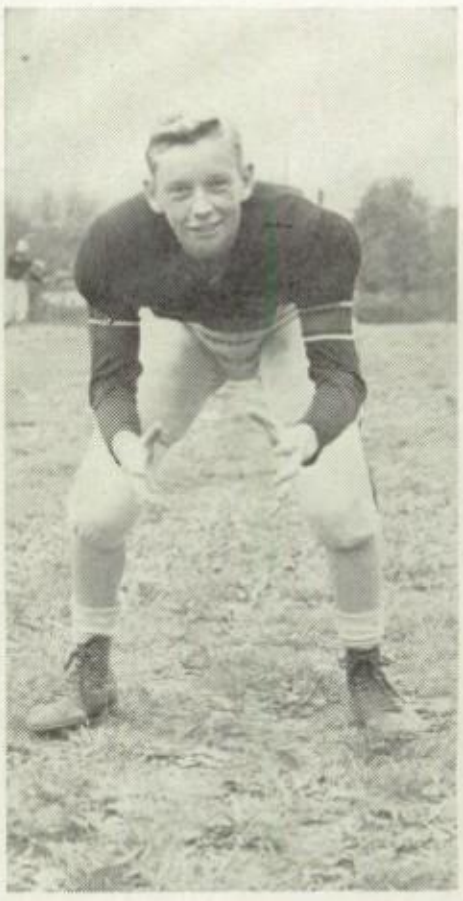
An open date was next week and it gave the Hornets time to catch up on their mistakes. The game with the Brookfield Warriors was another loss for the Hornets 19-7; however, the Hornets showed good sportsmanship in every game they played.

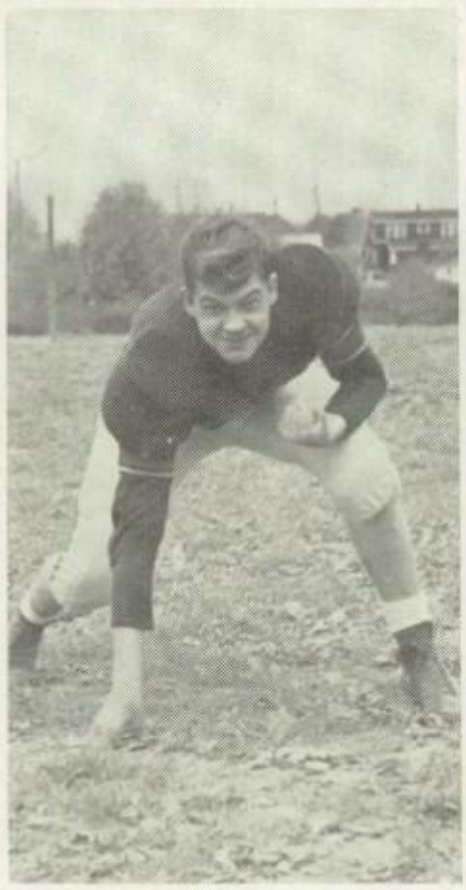
The next week the Hornets traveled to Mars to play the Planetmen on a hard-baked field where the Hornets won 6-0. It was the first victory since the Franklin game. The home-coming game with Mercer was a successful one with the Hornets dealing the Mercer High Mustangs a shocking blow 32-0. The last game of the season was played over at Grove City where the Hickory High Hornets met with defeat of 20-0. The game was played in a sea of mud and a heavy snowfall. As the Hornets rounded up their record, they found they had 5 losses and 3 victories.

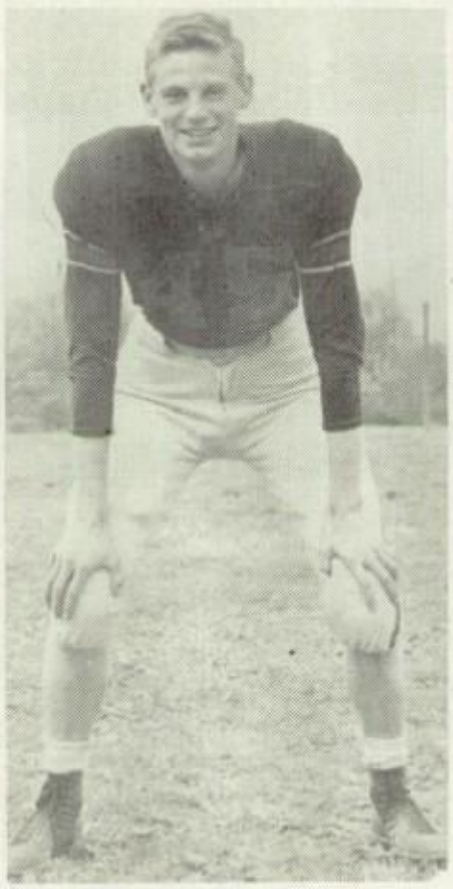
The next year's team should be a championship ball club. We can't forget some of the boys who filled in for some of the boys who were put out of action for a while.

Action at the Game









Senior Players

There were seven senior football players this year. They were: Norm Kolbrich, Bob Dankanyin, Joe McCauley, Dave Merchant, Bruce McElroy, George Bittler, and Jim Scott. These boys saw a lot of action, with the exception of Jim Scott. They always played to win. Jim played very little in games but proved to be very valuable in practice. George Bittler was high scorer for the seniors. Bob Dankanyin did his share of catching passes while Norm Kolbrich opened up big holes in the line. Dave Merchant and Joe McCauley played bang-up ball on defense. These boys fought hard and clean. They played to win but also took defeat in a good-natured manner. All the seniors, except Jim Scott, received a jacket with a letter on it. Jim got a letter. The football team will miss these boys next year, but the vacancies will be filled with lettermen and some other fighting players.

Junior Varsity Football Team

The coaching of Mr. Jim Reynolds was a great help to the junior varsity. The junior varsity had an unbeaten season, winning all three of their games.

The team held their opponents to 12 while they scored 54 points. Mr. Reynolds was a great help in aiding Coach Chuck Snyder on the practice field. He made many corrections on line blocking, punting, and passing. Mr. Reynolds was well liked by all the players on and off the field.

The first game the Junior Varsity played was the Sharpsville Junior Varsity and they held Sharpsville scoreless to defeat them 12-0. The Sharpsville team never pushed more than 30 yards within the Hickory territory.

The next week they played Greenville but the Hickory Junior Varsity was determined to go undefeated and they racked up their second win 12-6. The following week our team invaded Mercer, but Mercer was no match for the Hornets. The Hornets dealt them a shocking blow by defeating them 32-6. Of course a few teeth were lost in that game, but they were disregarded.

In all the games that the Hickory Junior Varsity played, they showed great determination and good sportsmanship. The front wall included Bob and Al Tate, at ends, Jake Kolbrich and Bill McGowan at tackles, Carl Fette and Dale Polly at guards, and Dick Woge at center, Jake Kolbrich, the captain of the team, always kept the boys pepped up, especially during the games. In the backfield were, Bob Patton, Moe Brant, Bill Messina, Bob Stacy, Dick Keryan, and last but not least, "Big" Ernie Swartz.

Junior High Football Team

This year found a new coach at Hickory when last year Mr. Keith Stoner resigned from his post. We can not forget the generous service of Mr. Stoner. He was well liked by everyone out on the football field and he did a wonderful job in coaching the young boys.

This year the junior high was coached by Mr. Marsden McBride who came from Grove City. Mr. McBride really did a good job while putting plenty of fight into the boys. He worked with each individual boy to check his habits and perfect them to a high peak. The year was a good one for the Little Hornets.

Mr. McBride, not knowing the football players, had to choose each player for his team in practice and to prove them in the games. For his starting lineup in the game. Mr. McBride picked Harold Schaller, Bob Merat, Don Knox, Dick Keryan, Bob Stacey, Ray Stacey, Bill McConnell, Don Caldwell, Bob Patton, Bill Gaugh and Wayne Bartholomew. The ninth graders that played on this team will move up from the junior high to the varsity under Mr. Snyder and will dress for varsity games. These boys will be coached by junior varsity football coach, Mr. Jim Reynolds, and will play the junior varsity teams of the surrounding schools.

In the future, Hickory can hope for better teams and records now that the junior high football and basketball have started. In the senior high the boys have to work hard and fight for positions on the team and thus make a better showing in the games. Although Mr. McBride was here for his first year, he won the hearts of the players and they really put on all they had when they played in the games.

To prove this, the team came up with a record to be proud of, with a total of three wins and one loss and one tie. In their first game of the season the Hornets tied with Brookfield 0-0. The Hornets then won two straight games, one over Sharpsville 13-7 and the other over Grove City 7-0. Their only loss was at the hands of Greenville 19-13. In their last game of the season the Hornets defeated Mercer 19-13. Most of these up and coming players showed up well during the season and will always put on a fine display of football in the future.

Seniors and Lettermen

As the 1951 and 1952 basketball season started, Chuck Snyder had two seniors on the team and only one letterman. The seniors were Tim Earle and Duane McCullough; the only returning letterman was junior Lester Mathieson.

Tim Earle has been in basketball at Hickory for six years. When in the seventh, eighth, and ninth grades he played on the junior varsity and played under Coach Chuck Snyder who at that time coached junior high basketball. When in the tenth and eleventh grades he played under Coach Jack Gaus. While Tim was on the team two years, they lost only seven games. As a senior, Tim was a substitute and saw little action, as Coach Chuck Snyder, who is head coach for the first year, was building for the future with four sophomores and one junior on the first team. Tim Earle was one of the big boys on the team, standing 6 feet, 1 ¾ inches.

The only other senior on the basketball team was Duane "Dewey" McCullough. Dewey played as one of the first six on the basketball court for the Hornets and was very valuable to the team. Dewey had two years in Junior High basketball and in his freshman year he was on the first string, playing for Coach Snyder. While in the junior varsity, Dewey was one of the first six players for Coach Jack Gaus. He also dressed for the varsity games for Coach Keith Stoner.

Dewey in his senior year was one of the first six players for Coach Chuck Snyder and started about eight games for Coach Snyder. Dewey stands at 6 feet ½ inch.

Although Dewey and Tim as seniors did not see much action they proved very valuable to Chuck Snyder in practice and serving as substitutes. Tim and Dewey will receive their letters after the season is over. Tim and Dewey were also active throughout the years in football. Dewey served as football manager to Chuck Snyder and Tim played end until he injured his foot and did not play in his senior year.

The only letterman that Chuck Snyder had back was junior Skip Mathieson. He will be able to play next year along with his teammates this year. The team next year will have many lettermen back. They are: Bill Orndorff, Moe Brant, Bill Osborne and Red Schaller.

Skip was high scorer for the Hornets and he broke Bob Seems' individual scoring record. Skip played three years junior high basketball under Coach Chuck Snyder and from junior high he moved up to play varsity ball under Keith Stoner, and made first string varsity and earned his letter.

Dewey and Tim will be remembered by their classmates for their fine sportsmanship.

Varsity Basketball

Hickory received a new basketball coach this year. He is Mr. Chuck Snyder, the Hornets' veteran football mentor. Mr. Snyder took over the Hickory helm from Mr. Keith Stoner who resigned to take over the job of faculty manager for the Hornets. Coach Snyder vacated his job of junior high basketball coach to take the new position. He built his team around senior Dewey McCullough and junior Skip Mathieson. Skip was the only letterman returning to the squad. Mr. Snyder also brought up four sophomores from his winning junior high team of last season, and senior Tim Earle rounded out his squad. The sophomores' names are: Bill Orndorff, Moe Brant, Bob Schaller, and, the tallest man the Hornets possessed, Bill "Hot Pipe" Osborne.

The Hornets lacked height this year but they made it up with speed and accuracy in their shooting. Bill Osborne was the Hornet's center who stands 6 feet 1½ inches tall. Next to him was the Hornet's high scorer, Skip Mathieson, who stands 5 feet 11 inches. Skip also was considered one of the county's best foul shots last season with a very high percentage of his shots good at the foul circle.

Bill Orndorff and Moe Brant were the two who were really accurate on their set shots, they pulled the team out of the fire very often. Senior Dewey McCullough was one of the Hornet's best board men along with Skip and Bob Schaller, another sophomore, and one of the first five men on the team. Tim Earle, another tall boy, was also a great asset to the team with his good passing and rebounding. Tim is a senior this year along with Dewey McCullough.

Coach Snyder can count on a very strong team in two following years as four of his first five men on the team are sophomores. Give those boys a few years of experience and they are going to be really hard to stop. He also will have Skip Mathieson back. Skip is a junior. The Hornets will only lose two men to graduation this year. Coach Snyder also uses some of the junior varsity players up on the varsity. They are Bill Grimm, Mike Cusick, Hillis Krichko, and Tom Elberty. These boys are all juniors and are going to be counted on very heavily next year. The team has had a very good season thanks to Mr. Chuck Snyder.

First Seven

Under a new coach the Hickory Hornets completed their 1951 and 1952 basketball season with a record of 12 wins and 11 losses. Head Coach Chuck Snyder placed on his first string four sophomores and one junior. Four of these boys will have two years more to play. This year they gained much-needed experience and they obtained this by playing on the team. Although the Hornets wound up in fourth place in the Class "A" race, they have a better chance next year to improve. The names of the returning lettermen are: Bill "Hot" Osborne, Bill Orndorff, Bob "Red" Schaller and Herman "Moe" Brant.

The Hornets opened their season with a bang by winning three straight games. The wins were over Brookfield 54-35, Mt. Jackson 50-40, and over the Big Red of West Middlesex 68-52. The Hornets then dropped two straight games with the games going to St. Michael's of Greenville 53-39, and to Meadville in overtime 65-64. The Hornets started back on the winning trail by dumping Mt. Jackson for the second time by the score of 55-44 and Union Township 51-49. The Hornets lost to Brookfield 62-45. The Hornets dropped Brookfield in the first game. The Hornets also lost to Sharpsville 63-43.

The Hornets won their next two games by defeating Rocky Grove 62-56 and Grove City 70-57. The Hornets then lost a heart breaker to Mercer 67-63. The Hornets defeated West Middlesex for the second time of the season by the score of 68-57. The Hornets then lost two straight games, one going to Greenville 61-56 and the other to Youngstown Ursuline 61-51. The Hornets defeated Grove City 53-52 and St. Michaels of Greenville 59-58 in a thriller. In the remaining five games of the season the Hornets lost 4 and won only 1. In the defeat column Rocky Grove dropped the Hornets 73-56, Mercer 68-66, Greenville 49-42, and Sharpsville 75-44. The Hornets only won one, that being over Meadville 54-52. Meadville had defeated the Hornets earlier in the season.

The Hornets in 23 games averaged 56 points per game and held their opponents to 55 per game. The highest score the Hornets had all season was over Grove City 70-75. The highest score any opponent could make over Hickory was done by Sharpsville 73-43.

In the individual scoring, Skip Mathieson, only returning letterman to this year's squad, broke all scoring records ever set at Hickory by dropping 418 points through the hoop. Bob Seems was previous high scorer with 395 points.

Skip was high foul shot in the Class "A" race. Second high was Bill Orndorff with a total of 211. "Moe" Brant was third high for the Hornets with a total of 202. Third high scorer was "Red" Schaller with a total of 191. In fourth place was "Hot" Osborne with 110 and fifth place was Dewey McCullough.

Skip Mathieson set a new individual scoring record with 418 and he also set a new high single game mark for Hickory with 30 points. In 23 contests, the Hornets were outscored by their opponents by 28 points, 1300 to 1272.

Hickory won only two out of six County Class "A" League games, losing twice to Sharpsville, champs, and twice to Greenville, while winning two games from Grove City. The Hornets topped off their season by upsetting Meadville, Section 2 champs.

Junior Varsity

The Hornets' junior varsity under Coach Jack Gaus completed their most successful season in their history. The Little Hornets ended their season with a record of 18 wins and one loss. The junior varsity has three juniors and two sophomores on the first string. The three juniors will move up to the varsity next season and be on the varsity squad.

Mr. Gaus, one of the greats from Hickory in basketball, has coached the junior varsity for three years and has a fine record thus far. Mr. Gaus, in his basketball days when he was a senior at Hickory, was individual high scorer at Hickory and also rated third place in the county action.

The junior varsity won their first seven games, and were stopped for the first and the last time of the season by Brookfield who they had defeated in their first encounter. The junior varsity won their first game of the season when they defeated the Brookfield Warriors 34-20, they also defeated Mt. Jackson 51-29, West Middlesex 37-21, St. Michael's of Greenville 64-25. St. Michael's was one of the two new teams the junior varsity had on their schedule this season; the other game was with Youngstown Ursuline of Youngstown. After the St. Michael's games, the Hornets took games from Meadville 32-23, Mt. Jackson 49-30, to win their two-game series with Mt. Jackson, and Union Township 47-28. The Hornets then lost their first game of the season to Brookfield in a thriller 27-25. The junior varsity then took wins from Sharpsville 50-22, Grove City 51-32, Mercer 48-34, West Middlesex 45-17, Greenville 42-24, Youngstown Ursuline 39-17, Grove City 55-34, Mercer 48-45, Sharpsville 47-34, Greenville 47-34 and Meadville 48-36 to round out their season with a total of 18 wins and one loss.

The junior varsity in their 19 games had a total of 859 points and their opponents were held to only a total of 532 to give the Hornets an average of little better than 45 points per game and their opponents an average of 28 points per game.

In the individual scoring, all honors went to the junior varsity center Tom Elberty, a junior, who has a good chance to play first string varsity basketball. Tom was in first place with a total of 176 points in nineteen games. Second place honors went to Mike Cusick also a junior with a total of 155 points. There was a two way tie for third place honors between Don McCullough, a sophomore, and Hillis Krichko, a junior; both these boys had a total of 136 points. In fifth place on the first string was Al Tate, a sophomore, with a total of 120 points. These boys among themselves had a total of 723 points out of the over all total of 859. These boys who move up to the varsity will prove how well they have been trained by the future record at Hickory.

Junior High Basketball

Serving his first year as basketball coach, Mr. Marsden McBride turned out another team that the Hornets can be proud of. "Mickey," as he is known to his boys, came to Hickory from Grove City College where he graduated. Mickey came to Hickory, not knowing any of the boys and produced a fine record in football and basketball. He was also active in the sophomore Hi-Y club where he acted as adviser under Mr. Stewart.

The junior high team is made up of three grades; seventh, eighth, and ninth. The seventh and eighth grades sometimes get games to play in which the ninth grade cannot play.

Head Coach Chuck Snyder was last year's junior high coach and had a very fine record which will be hard to beat. But the impressive showings the junior high have made this term show signs that the record produced by Mr. Snyder is in some danger.

The junior high team had practice after the varsity had practiced from 3:30 to about 5:00. The junior high practice is from that time until Mr. McBride has decided that they had enough practice for one night.

The six boys who saw most action for Mr. McBride were all ninth graders. They are: Bob Stacey, Bob Patton, Don Caldwell, Ted Griffith, Jerry Seems, Paul Templeton. The ninth graders will move to the junior varsity next year.

Moon Motor Co., Studebaker Cars and Trucks, E. State Street
Leyde Automotive Machine Co., Parts For Most Cars, 215 S. Main Ave.

Football Managers

This year's football managers were: Joe Bees, Dewey McCullough, John Frazer, and Roland McCullough. Joe and Dewey are seniors; while John is a junior and Roland a sophomore.

The football managers are the unsung heroes of any football team. They may even determine the outcome of a game. They are chosen for their dependability and responsibility, as well as their eagerness. They must be cooperative and ambitious. They must also work for the good of the team. If you think a manager's life is easy, you are badly mistaken.

First of all, they must hand out, to the players, their uniforms, shoes, and helmets. Then Joe and Roland had to go onto the field with the players. They would chase footballs, hold the tackling dummies, and bring medical aid, if needed. While Joe and Roland were on the field, Dewey and John took care of the equipment room. They must stay in the equipment room at all times. When practice was over, they had to clean the shower room and sweep it up. John had the job of sweeping out the equipment room, room 8, and the gym office. He also had to make sure soap was always in the shower room. On the away games, they had to pack all the equipment and load it on the bus. When they arrived at their destination, they had to unpack it and carry it to the shower room and hand it out to the players. They had to take inventory of the supplies, both before and after the season. They also may give suggestions, such as Dewey did. Dewey proposed the idea of painting the helmets silver with a red stripe down the center. It was approved by the team and the coach, so they got busy and did the painting.

This was Dewey's and Joe's second and last year as managers. John and Roland were serving their first year as managers. Joe Bees dressed all wounds this year while Roland will dress them next year. Dewey also took care of the books. John will take care of them next year. The books they have to keep concern the amount of equipment given out and to whom it is given.

Dewey does all the buying, such as the team supplies and whatever is necessary. In addition to the many other jobs that Dewey did, he wrote up all the Hickory games for the Sharon Herald.

The most unusual experience of the managers was when Dewey took Don Newland to the hospital. Don broke his arm in practice and had to be taken to the hospital. Since it was Dewey's duty to take injured players to the hospital, he started to the Sharon General Hospital. On the way, he ran out of gas and had to coast into a gas station.

Row 1: left to right—Joe Bees, Roland McCullough, John Frazer, Dewey McCullough.

Managers have their troubles too, only they have more than their share. If it weren't for the managers, football games could never be played, because a manager has so much to do. If the players had to do what the managers do, they would be too tired out to even play the game.

Now you see what a manager goes through and how little credit and praise they receive. These boys: Dewey, Joe, John, and Roland, deserve a lot of praise for the fine work that they have done during the 1951 football campaign.

As a reward for their fine work, Dewey and Joe received a letter and a jacket. John and Roland will receive the same when they become seniors. John has one more year of service while Roland will be a manager for two more years.

John will be given Dewey's job since he was his understudy all year. Roland will be given Joe's job, which is being on the field most of the time. John and Roland are looking forward to the further service to Coach Snyder and his football team.

Beckdol's Specialists in Sports, Across from Sharon Store, Dial 4993

Basketball Managers

The basketball managers this year are: Roger McCullough, Paul Aiken, and John Frazer. John is a junior while Paul and Roger are sophomores. None of the basketball managers graduate this June, so next year they'll all be back as a unit.

The basketball managers have it a little easier than other managers because they are always inside. But nevertheless, they have a lot of work to do and it must be done. Their jobs are small but important. Here is part of their everyday routine.

When practice starts, they must check out the basketballs and keep count of how many were given out. They also, before practice, get out the jerseys for scrimmage. They also must be checked out and in. When they have a game, they must clean all the basketballs. That's quite a job, but they don't seem to complain. They like their job because they get to learn a few things by watching the players practice.

The basketball managers must be dependable, ambitious and alert. With a combination of these three, a basketball manager is usually successful.

After basketball practice, they must put the basketballs in place and check in all equipment. They have to wait until all the players have left and clean out the shower room as well as the equipment room. They keep a record of the socks and shoes handed out because a player only gets so much equipment a year.

If anyone gets hurt in practice or in a regular game, they bring medical aid. They have to know how to take care of certain cases, such as colds, headaches, stomach aches, pains, or whatever a player might have wrong with him. Before all home games they must put up all the four side baskets and pull the curtains closed on all the windows. They collect all the basketballs before the game and at the half when the team practices. They run any errand that may be assigned to them.

These boys go through the above almost every day without complaint. Some of their work is hard and some is easy, but they do it without fail. Without these boys, there probably would be no basketball team. They deserve credit as well as the players themselves. The players get the write-ups, but without the managers there would be no write-ups for them.

Row 1: left to right—Roger McCullough, Paul Aiken, John Frazer.

These boys did their best this year and next year will do even better. They will continue to carry on their responsibilities as they did this year. In addition to all these duties, they must also keep up their school work. All three of them have average or above average marks.

John is the only one who has a key to the equipment room and he is responsible for all its contents. A manager gets practice himself when the players are practicing by shooting at the side baskets. But he must also keep an eye on the equipment room. The equipment room is always neat because they keep it that way. They clean it up and sweep it out every night after everyone else has gone home. They are responsible for this room. Very seldom do you hear someone say "My, what swell managers." They sometimes get blamed when something goes wrong, but hardly ever do they receive any praise.

So hats off to John, Paul, and Roger.

Row 3 —- Philip Atkinson, Fred Snyder.

Row 4—Skip Mathieson.

Golf Team

The Hornet Golfers coached by Jack Gaus ended their second year of competition with a 2-2 record. They also participated quite successfully in the Yankee Run Tournament and the District 10 meet held at Edinboro.

The Hornets started a golf team in 1941 and 1942, and coach Jack Gaus was a member of the team. After 1942 the team was discontinued, but in eight years the school started golf again and have turned out successful teams.

The Hornets played their home games at Leeland golf course and their away games are played on their opponents practice course.

The Hickory "pitch and putters" won easily over West Middlesex at both Leeland and Tam O' Shanter courses. Their defeats came at the hands of Brookfield. Brookfield plays their matches at the Yankee Run Course. The Yankee Run Course is rated as one of the toughest courses in the district. The course had nine holes, but recently they have added nine more to make a total of 18 holes.

No. 1 man for coach Gaus was senior Francis "Red" Jara, who developed into one of the finest golfers in this section. No. 2 man was senior Harry Wainwright, who is now a cadet officer in the Coast Guard. Playing No. 3 was sophomore Mike Cusick, who will be back this year, with big things expected from him. Driving in the No. 4 position was senior Bob Lute. Bob was little but packed plenty of power in his drives. The only returning man to this year's team was Mike Cusick who was a junior.

The Hornets traveled to Edinboro and took part in the District 10 meet there. This is an annual tournament and about 60 golfers bid for a chance to go on to the state meet held at State College every year. "Red" Jara had quite a day for himself in last year's tournament. "Red" lost out only in the last few holes of play. He placed twelfth in the field of 60 golfers.

Many more boys will be out for this year's team because the sport has gone down in the books as a must for the Hornets. Mr. Gaus will hold tryouts for the team just as any other coach holds tryouts. He will cut those who do not show much promise but if those boys show up the following year and show improvement, they will make the team.

Some of the boys out for this year's team were: Mike Cusick, who played in the No. 3 position for Mr. Gaus last year and was the only starting man returning to this year's team. Others are: Bob Lute, Skip Mathieson, Bob Snyder, and Ray Lute.

Row 4—Don McClaren, Wayne Holsapfel, Chuck Eckles, Ronnie Braho, Dewey Thompson.

Baseball Team

Baseball has not been here too long but is growing in popularity. When baseball first started at Hickory, we did not have our own field to play on. Everytime we had a home game we had to travel to the Transfer diamond. The boys thought it foolish to travel such a long distance to play a game. They decided they should have a field of their own. The team told Mr. Stewart about the idea and he thought it was all right. They got permission from the school board and started working on it with the help of the Vo-Ag Club.

In the few years that baseball has been around the Hickory High, baseballers have compiled some very brilliant teams. In 1949 they had a victory margin of five wins, two losses, one tie, and in 1950 they had their most successful season in the history of baseball at Hickory, having eight straight wins without a loss. In 1951 they had another extraordinary season.

The seniors who are leaving are: Ralph Burdick, catcher, who played a very good game behind the plate; Rich Burdick, who pitched nearly every game for the Hornets and played in relief roles and had 85 strike outs; Carl Polley, who served as a very valuable substitute; Bob Newland, who proved very valuable for the team as an outfielder; Dave Burdick, who played a stellar roll as did Bill Andrews; Bob Stainbrook, who played a good game at second base; Bob Moats, Ronnie Thompson, and Bob Saunders.

The leading batters were: Bob Newland, 525, Rich Burdick, 525, Ralph Burdick, 470, Skip Mathieson, 461, Dave Burdick, 450, Bob Stainbrook, 361, Bob Moats, 321, Bob Saunders, 306, Bill Andrews, 288, Larry Miller, 285, and Ronnie Thompson, 280. Other members of the team who are expected to make this year's team are: Dale Polley, Howard Gardner, Bill Osborne, Bob Dankanyin, Ed Parker, Jim Morrison, Dick Sheppard, Red Schaller, Larry Miller, and Skip Mathieson. There is a lot of material in these boys and they should continue the same pace as other Hornet teams have.

The Hickory Hornets have been proud of their team and the records they have. But the Hornets have something extra to show this year in sports.

When spring baseball training starts in Daytona Beach for the Cleveland Indians there will appear among the many players two of Hickory's players. Jim Clarich and Ralph Burdick have been chosen to try out for the team. Jim, a 1948 graduate, is trying for the second time to crack the major ranks. Ralph is a 1952 graduate and this is his first try. Good luck to these boys.

Varsity Cheerleaders

Left to right—Mary Ellen Templeton, Betty Rowe, Frances Von Strohe, LaWanda Morrison.

Cheerleaders

To start off our football season in 1952 we had four varsity girls, Mary Ellen Templeton, senior, Betty Rowe, Franny Von Strohe, and LaWanda Morrison, juniors.

As the season came to a close the junior varsity was in full swing, and ready for the basketball season. Their lineup was Connie Heilman, Betty Frederick, Jackie Cloud, and Franny Williams, sophomores, Bonnie Johnson, and Marlee Higgins, freshman.

Through rain, sleet, snow and more snow, the squad was always there with a peppy cheer to liven the crowd. Remembering some of the memorable events, the Grove City game will stick with us, where everyone looked like snowmen. Another one was the Mercer game, our homecoming, with the queens and their attendants down on the field.

The basketball season went a bit smoother until the Christmas vacation, then it was, "who will take us?" and "where is the place?" Well, thanks to different people, we got there safe and sound. Speak nothing of how we got home.

Our suits were made up of white long-sleeved rayon blouses, black weskits trimmed in red, red cotton skirts lined in black, with white socks and saddle shoes. Junior varsity followed suit on the idea.

Nearing the Christmas season, three junior high girls were starting the line-up in the junior varsity games, Clara Mae Mattocks, freshman, Norma Shuster and Shirley Barnes, eighth graders. Their uniforms were made the same as the Senior squad but reversible colors.

The varsity girls were picked in the spring and practice was held at the high school once a week through the summer months. The shade of the Old Hickory Nut Tree served as our gathering place, also as reserved seats for football practice.

And so goes the history of our squad during the 1951-52 season.

Scenes From the Show

Just turn the pages and you will find our activity section.

During our twelve years at Hickory we have worked on many projects. We worried and wondered if our shows would be a success. This section shows only some of the scenes. Our proms, plays, the crowning of the queens and class work are some of the projects we have shown here.

Most of these are happy occasions. Baccalaureate and Commencement are the sad ones because the class of "52" realizes they will leave behind all their high school memories and fun, to take over difficult and strenuous tasks.

Newell's Dry Cleaners, 1073 Griswold Way, Sharon, Pa.

Larry Miller presents red roses to Miss Dorothy Elder, play director.

After days of tryouts and weeks of rigorous practices, the senior class was ready for their royal production of Mark Twain's "A Connecticut Yankee in King Arthur's Court." An all-star cast of twelve presented this play on November 17, in the high school gym.

"The Connecticut Yankee," a comedy in three acts, is the story of a clever Yankee, a brilliant engineer, who finds himself in the royal court of the king. Larry Miller quite cleverly portrayed the part of Hank Bennett, our Yankee friend. King Arthur was equally well done by Dean Flowers. Lois Applegate starred as the king's domineering wife, Queen Guenevere, who seemed to run the kingdom. Queen Morgan LeFay, Mimi McConnell, a scheming, black-hearted woman and sister of King Arthur, sent shivers along the spines of many people. The part of her villainous, scheming partner, the magician Merlin, was capably done by Bob Laird.

Sandy and Elaine, two charming young ladies of the court, were well portrayed by Connie Treantenou and Arlene Braine. Clarence, a

mischievous page boy, was well handled by Lee Reichard, while the two bold knights of the court, Sir Sagramor and Sir Launcelot were well done in the character roles as knights of old by Wayne Miller and Carl Mattson.

Mrs. Bennett, Hank's mother, was expertly done by Rita Mayernik, while Marianne Bintz played the role of Marion, the younger sister of Hank.

The story begins in the living room of the Bennett home. Hank accidentally touches a live wire on the radio which knocks him out and he drifts back into the past to King Arthur's court.

Here we find the king and his court discussing the matter of what to do with the unwelcome guest. The Yankee outwits even Merlin with his actions from the unknown world from which he came. Queen Morgan LeFay comes to visit the king and tries to overthrow the kingdom. She fails, however, when the Yankee outsmarts her and spoils her schemes. One of the young ladies of the court adds a little interest when she falls in love with the Yankee. To draw a closing to the play the Yankee finally comes to again and is in his own living room and finds that it has all been a dream.

The cast was assisted by Shirley McGinnis and Rich Burdick, student directors. Pat Mostrog was call girl, and Connie Corbin and Elizabeth Voyda were prompters.

Miss Dorothy Elder directed the production to make it her first at Hickory.

Programs for the production were cleverly arranged as scrolls and tied with gold cord.

Crews and committees for this production included: lights and sound: Paul Miller, Dewey McCullough, and Don Griffith. Stage crew included Ray Chapin, Fred Snyder, Dave Merchant, Jim Scott, Don Marenchin, Joe Bees, Ralph Burdick, Richard Burdick, and Don Griffith. Properties consisted of Bruce McElroy, Dewey McCullough, Joe McCauley, Virginia Thompson, Betty McGhee, Bill Cunningham, Dolores Sulecki, Beverly Bodamer, and Dorothy Sulecki. Susie Denault, Edna Zipay, Naomi Starkey, Phyllis Taylor and Gladys Pryor were in charge of make-up.

Program committee included Nancie Wentz, Joan Antus, Virginia Rockhold, Joanne Parola, and Mary Ellen Templeton. Tickets and Publicity consisted of Virginia Guthrie, Sophie Kekich, Nancy Walker, Katherine Nettinger, Arlene Braine, Audene Holsapful, Leona Keats, Beverly Young, and Pat Mostrog. Ushers were Beverly Carley, Janet McKee, Ethel Selenchick, and Carol Miller.

The student directors were in charge of these committees.

The high school orchestra presented appropriate numbers.

Junior and

Guys and dolls; moonlight and roses; What more could someone ask for on a warm breezy evening in May? Dolls in taffeta and guys in bowties presented a lovely picture on May 18 for the 1951 junior-senior prom.

As the students entered the gaily decorated gym for the banquet, they passed through a gate under a rose arbor over which red roses climbed. Around the walls were crepe paper stones which gave the impression of a stone wall. Multi-colored roses trimmed this wall. A rustic park scene centered the dance floor where guests wishing to rest could "sit out." Above this shone a beautiful spring-time moon which looked down on the many couples gliding around the dance floor to the music of Emil Bossick and his orchestra. A false sky of blue and white crepe paper trimmed the celing.

A banquet for 250 students and faculty members was served preceding the dance. Mothers of juniors and seniors assisted in preparing and serving this meal. The menu consisted of tomato juice, escalloped potatoes, baked ham, salad rolls, ice cream and cake, and milk and coffee. Place cards trimmed with roses, marked the place of each guest. Dance books were also presented.

Miss Minnie Bevlyn gave thanks and Mary Eleanor McConnell welcomed the seniors with Bob Shamu responding. Remarks were made by principal A. R. Reimold and supervising principal Kenneth Delahunty. During the dinner Audrey Urban tap-danced and Marianne Bintz sang "Too Young." Mrs. Sara Tarr was Toastmistress.

After the banquet students scattered to many places and returned at 9:00 after the tables had been cleared from the gym. Dancing continued from 9:00 until 12:00. During intermission punch was served from a table in a rose garden. More entertainment included a quartet made up of Bruce McElroy, Bill Abernathy, Bob Laird, and Larry Miller who sang

S. J. Gully Bank, Farrell, Pa.

Senior Proms

"Kentucky Babe." Larry also sang "Stardust."

After the prom the junior and seniors eliminated most of the decorations. Everyone scrambled for souvenirs of some sort: roses or crepe paper for car trimmings, and anything else that wasn't securely attached.

During the course of the evening, pictures were taken of the many lovely couples and stags, by Mr. Samuel Bohm of Rembrandt Studio. Pictures were taken at the centerpiece or at the entrance. Pictures were also taken of senior children of Sharon Steel employees to be printed in the Company magazine.

Teachers of junior and seniors attended as guests. They included: Mr. Charles Ohr, adviser, Mr. and Mrs. Keith Stoner, Mr. and Mrs. Louis Miller, Miss Minnie Bevlyn, Mrs. Patricia Rung, Mr. and Mrs. Kenneth Delahunty, Mr. and Mrs. William Ritter, Mr. and Mrs. Wick Tarr, Mr. A. R. Reimold, and Mr. and Mrs. Jack Shimer.

Hours and hours of long hard work go into the prom before the hours of fun can be had at the finished product. Fourteen general committees led the junior class in their preparation for this big night. Everyone in the class served on one committee or another. Those who acted as chairmen included: orchestra, John Bross; theme, Pat Mostrog; menu, placecards, and table decorations, Arlene Braine; and entertainment and programs, Naomi Starkey.

Rita Mayernik had charge of invitations; pictures, Steve Parkany; checkroom, Virginia Rockhold; crepe paper, Mary Jane McKee; and construction, Mary Ellen Templeton and Paul Miller.

Decorations, Chuck Molaskey; property, Betty Tipton; reservations, Audene Holsapfel; refreshments, Nancy Walker; and clean-up Dave Gardner.

Mr. Charles Mangus, industrial arts teacher, had charge of decorations.

The hard work in preparation was all forgotten when the guests fell under the spell of "Moonlight and Roses."

As part of our prom memories we would like to remember our senior prom on May 15, 1952. This was our night. Last year we entertained. This year we were the guests.

For the first time at Hickory the parents undertook the project of an all-night prom. Much discussion for and against this affair was held.

For the important part of the evening, the regular prom, the junior class chose the theme, "Stardust" from Hoagy Carmichael's arrangement. This with the music of Jerry Edwards and his orchestra provided a lovely romantic picture for the large crowd of students attending.

Preceding the dance a banquet was held in the dining room of the Hickory elementary building. Following the banquet, the students returned to the high school gym which had been turned into a dreamland.

This prom and our prom in 1951, we would like to remember.

Lee Reichard and Shirley McGinnis hunt for souvenirs after the 1951 prom.

Flower's Radio and Battery Service, 192 South Main St., Phone 2-1756

G. C. Murphy is known as "The Friendly Store" in Sharon

Football Queens and Attendants—LaWanda Morrison, Ann Panin, Frances Von Strohe, Lois Applegate, Connie Treantenou, Naomi Starkey.

Football Queens

Joe McCauley, co-captain of the football team, claims the first dance with the new queen, Frances Von Strohe.

It was a chilly October evening when Lois Applegate and Frances Von Strohe entered the Sharon High Football Stadium in the back of a convertible. It was another Homecoming Game between the Hornets and Mercer Mustangs.

The retiring queen and her attendants, Connie Treantenou and Naomi Starkey, and the new queen, Frances Von Strohe, and her attendants, LaWanda Morrison and Ann Panin, entered the stadium and took seats on the Mustang's side of the field. At half-time Lois led the way to the Hornet's side where they stayed for the remainder of the game.

After the game a dance was held in the high school where the crowning took place. The retiring queen led the way to the stage where she took her seat on the throne until Franny reached her. She then placed the crown on Franny's head who was now reigning queen.

Duffee Jeweler, Sharon, Pa.

Valentine Queen

Amid shining hearts and dreamy music, Naomi Starkey was crowned "Queen of Hearts" before a crowd of 200 at the "Heart Hop" on February 9.

"Nickie," the daughter of Mrs. Kathryn Starkey, Dutch Lane, was crowned by Steve Parkany, Hi-Y president. Our queen entered the gym, preceded by Barbara Kilgore, who dropped rose petals, and Lynn Stoner, who carried the crown. She crossed the floor to the foot of the stage where she ascended the steps to her red-covered throne. It was here that Steve Parkany placed the jewel-studded crown on the queen's head. While she was being crowned, a quartet, made up of Marianne Bintz, Bruce McElroy, Bob Laird, and Larry Miller, sang "Sweetheart of Hickory High," Steve then claimed the first dance.

The gym was beautifully decorated with red and white streamers and hearts. On the stage curtain behind the throne was a red and white heart inscribed with "Nickie," The curtain was also sprinkled with silver hearts.

A dance band made up of Wayne Miller, Hillis Krichko, Bill Bailey, Joe Maciejewski, and Jake Maciejewski provided music from 8:30 until 11:00.

During intermission a floor show was held with Larry Miller and Rita Mayernik singing "The Desert Song," and Jackie Walker, Sharon, gave a humorous reading. Judy and Sandy McCracken, Sharpsville, presented several dance numbers.

The dance was sponsored by the senior Tri-Hi-Y. The junior-senior Hi-Y assisted with decorations.

Row 3—Connie Treantenou, Don Griffith, Rich Burdick, Betty Tipton, Joe McCauley.

"The Skeleton Walks"

"The Skeleton Walks," a three-act mystery-comedy by Felicia Metcalfe, was presented by the junior class on April 5 and 6 in the Hickory High School gymnasium.

This was the first time on stage for most of the double cast. Shaking knees and sweaty brows didn't seem to bother any of the actors as they went successfully through each act, chalking up success for themselves and the rest of the junior class.

A double cast was chosen by Mrs. Patricia Rung, director, assisted by Miss Minnie Bevlyn.

"The Skeleton Walks" is the story of a family who visits a lonely old mansion which they have just recently inherited.

The plot is laid in a lonely old house situated on a small island connected to the mainland by only one bridge. To this deserted place come Elaine Blair, her lawyer-fiance, and her mother to look over the property which Elaine has inherited at her uncle's death. To their surprise they find the house in the possession of a suave and mysterious physician, Dr. Fersig by name, his sinister housekeeper, and her deaf-mute son.

The old house is worthless, but both Elaine and Dr. Fersig know that a large sum of money is secreted somewhere on the premises. Thinking the visitors have left the island, and wanting to search for the money unmolested, Dr. Fersig directs the deaf-mute to blow up the bridge. But, to his chagrin they return, having stopped at an old well on the island to eat a picnic supper. Because the bridge is destroyed, they decide to spend the night in the old house.

And now things begin to happen. Strange, ethereal noises are heard. A skeleton walks through the dim shadows of the house. Elaine suddenly disappears. Bill, her fiance, makes a strange discovery. And at the end comes the final surprise. Mrs. Hubbard and her supposedly deaf-mute son turn out to be a detective and his wife who have been covering the mysterious Dr. Fersig. The audience was kept in suspense until the final curtain came down.

Those taking part in the Wednesday matinee and Thursday evening cast were Carl Mattson as Dr. Fersig, Pat Mostrog as Elaine Blair, and Mrs. Embry was Gail Smock.

Bobby and Kinks were Ralph Burdick and Shirley Wheaton. Dave Merchant was cast as Bill Clayton, Dolores Sulecki as Anne Rowell; Mrs. Hubbard was Dean Flowers and Edna Zipay was Ollie. Rita Mayernik was cast as Mrs. Donahue.

Arlene Braine was prompter.

Persons in the Thursday matinee and Friday night production were Joe McCauley as Dr. Fersig, Lois Applegate as Elaine Blair, and Mary Ann Simpson as Mrs. Embry. Bobby and Kinks were done by Lee Reichard and Shirley McGinnis.

Thompson's Farm Equipment, Sharon-Mercer Road, Sharon
Phone 4821-23065, McCormick Farm Machines, International Refrigeration

Bill Clayton was done by Don Griffith and Anne Rowell by Nancie Wentz.

Mrs. Hubbard was cast to Richard Burdick, and Ollie to Naomi Starkey. Mrs. Donahue was Betty Tipton.

Connie Treantenou was prompter.

Committees for the production were: ushers, Beverly Carley, Connie Corbin, Janet McKee, Carol Miller, Dolores Parkinson, and Ethel Selenchik. Stage crew included Paul Miller, Bill Bogart, Fred Snyder, Ed Beader, Dewey McCullough, and Ray Chapin. Susie Denault, Elizabeth Voyda, Gladys Pryor, Virginia Guthrie, Mary Ellen Templeton, Sophie Kekich, and Jim Scott made up the make-up committee.

Those on the properties committees were Bill Abernathy, Beverly Bodamer, Doris Knox, Beverly Thompson, Wayne Miller, and Bruce McElroy. Paul Miller and Dewey McCullough did lights and sound. Publicity was the senior high school art classes, Bob Laird, Steve Parkany, and Connie Corbin. Bob Dankanyin, Virginia Guthrie, Marianne Bintz, Joan Antus, Bruce McElroy, and Mary Eleanor McConnell had charge of programs and tickets.

Faculty advisers were Mrs. Patricia Rung, director, Mr. Charles Mangus, stage manager, Miss Dorothy Hovis, property mistress, and Miss Minnie Bevlyn, tickets. Mrs. Jane Miller had charge of make-up, Miss Frances Adams, ushers, and Mrs. Virginia Lake and Mr. Jack Shimer, publicity.

Appropriate interlude music was presented by the Hickory High School Orchestra under the direction of Mr. Louis Cohen.

All stage properties were secured from Hickory Township homes.

Immediately following Friday night's production a party was held in the gym for members of the junior class which brought the curtain down on another junior play.

What did we do in 1951-52?

We studied in Classrooms . . .

September

The summer vacation has ended all too soon for most people. However, school was one week later starting this year due to the failure of supplies to arrive.

When we returned to dear old Hickory High, two of our favorite teachers came back too. Mr. MacDonald and Mr. Currie have returned again. Mr. "Mac" now has his Doctor's degree.

Other teachers have joined us too. They are Mrs. Ella Mae Horsman, Miss Dorothy Elder, Mr. Marsden McBride, Mr. Charles McCullough, and Mr. James Reynolds.

Somewhere in the vicinity of twenty-five new students have joined us too. Among these is Phyllis Taylor who has been chosen drum majorette.

Clubs, home-rooms, and classes have chosen officers and committees for the new school year.

The Hickory gridders have gone to Pittsburgh where they viewed the Pitt-Duke clash. They were accompanied by Mr. Snyder, Mr. McBride, and Mr. McCullough.

Jenny Lou Wellman has come back to school with tales of France. Not everyone takes a vacation across the wide waters.

Engagements also head the news items. Joan Foltz and Jerry Gaus, Helen Lazich and William Pearson, and Beverly Shields and Edward Burnett have become engaged.

Junior-high had an assembly to start off their magazine campaign.

Football has started again and we are once more using Sharon's stadium. The weather has been fine. Our luck hasn't been quite so good but we are still behind our boys nevertheless.

Mr. Cohen and the band, and Mr. Ritter put on the first radio programs for the new year.

Last but not least, Hickory's new elementary building has opened up. It was not all completed when we started, but it didn't take long to get filled to capacity. Mr. William Ritter is now principal at the Hermitage elementary building.

and in Labs.

Good Luck to '52 Graduates, A. M. Savoldi

October

Around this time of the year Hickory High students prove they are only human by looking forward to October 4 and 5 as County Institute is in session which means two days of long-desired vacation.

Frances VonStrohe is elected the pigskin queen and assumes her title as Lois Applegate yields her crown in the presence of her two attendants, Naomi Starkey and Connie Treantenou, at one of the most beautiful and impressive ceremonies of this annual event. The two girls elected to attend Frances are La-Wanda Morrison and Ann Panin.

Junior Tri-Hi-Y sells corsages to be worn to the football games as a means of raising money to carry on the school improvement project taken up each year by this club.

Seniors select name cards and vote for commencement announcements at class meeting. Mr. Batcheler, who plans the annual field trip to Washington taken by the seniors, addresses the class concerning the trip this May, giving us a brief outline of the sight-seeing tour of our nation's capital that requires two and one-half days.

Home room representatives for the Hickory Leaf are selected in all junior and senior home rooms. Their duties include collecting all news of interest from their respective home rooms, selling Hickory Leafs, and selling subscriptions to the yearbook in their home rooms.

Cleveland Indians' scout stakes claim on Ralph Burdick. Ralph is to report to Daytona Beach for spring training for a period of six weeks and then will leave to play at Green Bay in the Wisconsin League.

Mark Twain's "A Connecticut Yankee" is selected for the senior class play. Miss Dorothy Elder chooses cast of twelve for the delightfully entertaining play and many long hours of hard work get under way, but as the play

We burned our fingers . . .

progresses we're assured of an outstanding production.

Bob Stano is the winner of Mr. Do-Wrong contest as he catches the mysterious man, Tim Earle, who was the terror of our school for a few days. Tim purposely had been using the wrong stairs, displaying a lack of courtesy. The contest was sponsored by the journalists in hope of promoting better conduct in the hall corridors.

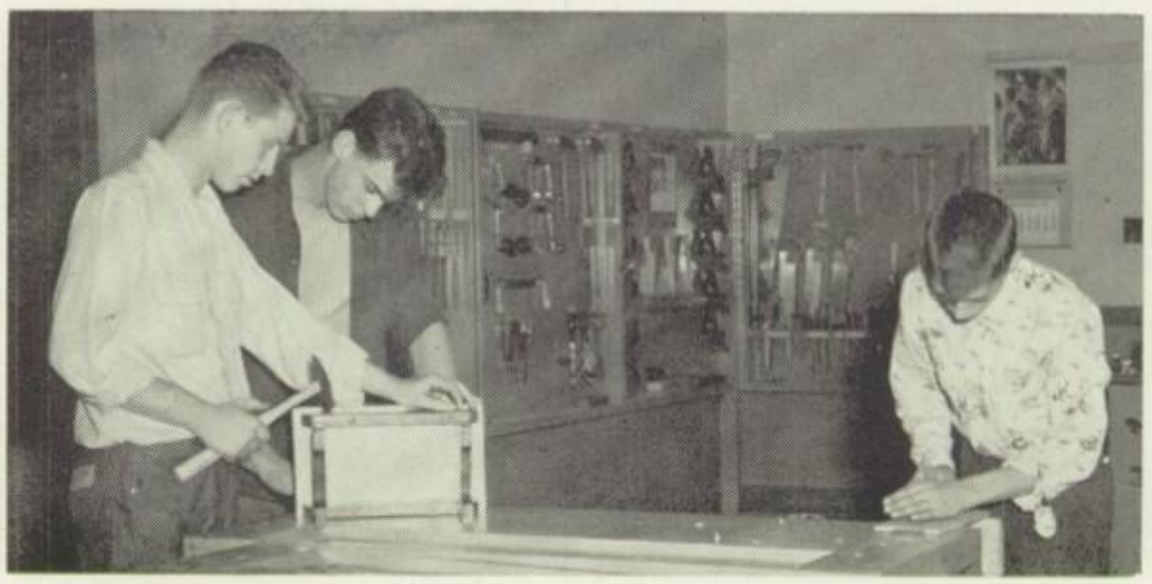
Sara Ball wins first prize in the Mercer County apple pan-dowdy contest. Copping this honor makes Sara now eligible to compete in in the regional contest.

Two of our senior girls, Donna Morgan and Phyllis Taylor, make their engagements known.

Five senior journalists, accompanied by Mr. Milford Shimer, take trip to Pittsburgh where they view a display of year-book covers at the William Penn Hotel. A tour of the Pittsburgh Post-Gazette is also taken at the same time.

The first group of student teachers, who will be here for a period of six weeks, arrive from Westminster and Thiel.

and hammered our thumbs.



Pic Electric, Farrell, Phone 21348

We said, "Hello" to basketball season . . .

November

Committees are announced for senior play, "A Connecticut Yankee in King Arthur's Court."

Seniors dedicate yearbook to Mr. Charles Mangus.

William Pool and W. D. Shull are elected to Board of Education.

Hickory High Hornets end 1951 season with a record of 3 wins and 5 losses. Seven seniors, including Bob Dankanyin, George Bittler, Norman Kolbrich, Joe McCauley, Jim Scott, Bruce McElroy, and Dave Merchant, play their last football game for Hickory against Grove City.

High school greets public on November 14 at Open House.

Royal production of "Connecticut Yankee" presented on November 16.

Rita Mayernik announced by Mr. Shimer as yearbook editor.

Girls' Ensemble is organized again this year under the direction of Miss Marion Buchanan.

Dolores Sulecki in charge of hair-raising Spanish Club initiation at Mrs. Miller's farm.

Mr. Raymond McClimans replaces Mr. Arthur Orr as head of maintenance.

Congratulations were in order for Susie Denault, winner of Hickory's "I speak for Democracy" contest, and one of six valley students selected to go to New York.

Mary Ellen Templeton becomes engaged.

Mr. Chuck Snyder takes over as basketball coach, following resignation of Keith Stoner. Jayvee coach is Mr. Jack Gaus and Mr. Mickey McBride is Jr. High mentor.

Miss Buchanan and Mr. Cohen announce names of students who will represent Hickory at district chorus and orchestra.

December

Seniors choose as their yearbook theme, "Producing a Movie."

Patagonia children present Christmas program.

Mr. Harry Horner is reelected as president of Hickory Township Board of Education.

Hornets open basketball season in fine style by defeating Brookfield, Mount Jackson, and West Middlesex.

Dr. Ernest Nickle, whistler for Walt Disney, had the whole school whistling after his novel assembly.

Miss Maxine Dickey, home ec teacher, becomes Mrs. Robert Patterson.

Broadcast on the Bill of Rights is given on December 13 by senior Tri-Hi-Y and Hi-Y.

FHA holds Christmas party in home ec room.

Christmas trees in high school are decorated by sophomore, junior, and senior Hi-Y boys.

Senior Tri-Hi-Y and their guests present Christmas program for patients at Mercer County Home as their annual project.

Journalists Shirley McGinnis, Bob Laird, and Steve Parkany present amusing skit at pep assembly to push yearbook subscription sales. The campaign ended successfully on December 17.

Junior Tri-Hi-Y and Jr. and Sr. Hi-Y hold Sock Hop in gym.

Mr. Walter MacDonald, P.O.D. and American history teacher and senior adviser, leaves Hickory after 18 years, to teach at the University of California, Berkeley, California.

Music filled the air the evening of December 19 as choir caroled at various places in Sharpsville and Sharon, including Shenango Inn.

Junior Class are all smiles as they received their long-awaited class rings from Herf-Jones Company.

and "Goodbye" to Mr. MacDonald.

Uptown Korner Market, Cor. E. State and Buhl Blvd., Open 7 days a week.

E. L. Troke, Isaly's, Sharpsville Avenue

We got our exercise like this . . .

January

Naomi Starkey is elected by the junior and senior high school to reign as "Queen of Hearts" at the Heart Hop which is sponsored by the senior Tri-Hi-Y.

The Spanish Club turns to ideas of the days gone by as they sponsored the first box social ever to be held at Hickory.

Beverly Carley's parents announce her engagement to Richard Liston of Grove City.

Club Hickory is presented for the benefit of the March of Dimes. James Hughes, 1947 graduate of Hickory, acts as master of ceremonies for the floor show.

Latin Club meeting is held to make plans for the annual trip to Pittsburgh which is taken each year by the club during the time of the Buhl Planetarium's Latin Festival.

Junior Tri-Hi-Y under the direction of Mrs. Sara Tarr presents patriotic radio program The program centers around the Universal Declaration of Human Rights which is a story of a document telling how men obtained their freedom and rights.

Fourteen Hickory boys attend the farm show at Harrisburg where Dick Parshall enters the state FFA Band. The main event of the day is the State Police Patrol of Pennsylvania horse exhibition.

Tom Boles, former junior, leaves for the Army Air Force and will be stationed at Sampson Air Force Base in New York.

like this . . .

and like this.

Congratulations from L. C. Vath
Finzel's Market, New Virginia, Phone 29995

February

Naomi Starkey is crowned "Queen of Hearts" at the "Heart Hop" on February 9. Steve Parkany, Hi-Y president, does the crowning before a large crowd in the high school gym. The senior Tri-Hi-Y sponsors this dance.

Mrs. Tarr's speech classes put on radio programs. Radio and dramatics is the subject of the speech classes in the second semester.

Second semester starts. Some people are going along the same as before and others are taking up the opportunity of improving.

Mrs. Miller, Miss Craig, and Mrs. Fruit have charge of the senior-high assembly program on February 22.

School is dismissed at noon on the 22nd. We are celebrating the birthdays of two great men, George Washington, and Abe Lincoln.

This is the month when the girls leap and the men run. February 1952 is LEAP YEAR. The regular P.T.A. dance is a leap year dance. Too bad for you fellows. You don't have a chance.

The first box social ever to be held at Hickory is held by the Spanish Club. The girls all bring a gaily decorated boxed luncheon and the fellows bring the money and bid. Result? A date and lots of fun. Dancing also provides entertainment.

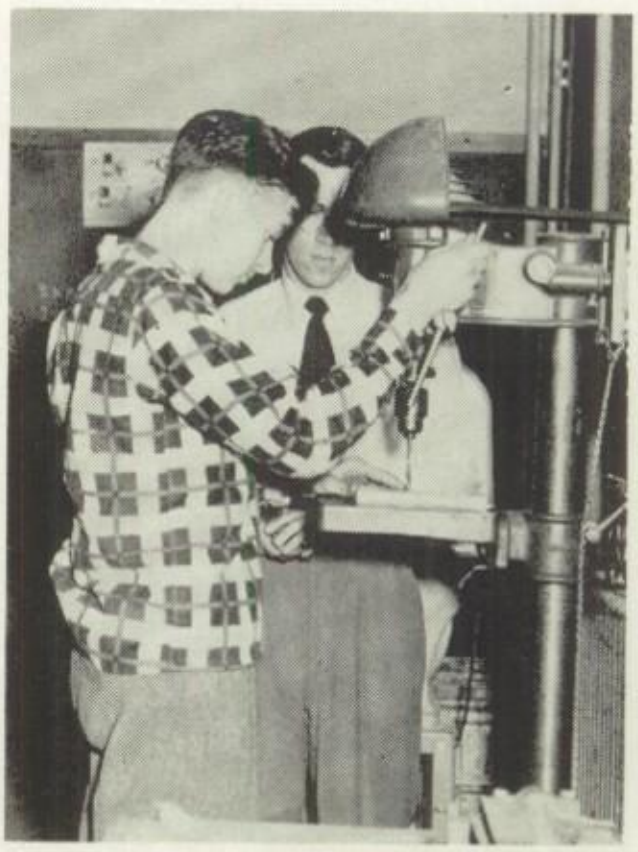
In observance of Latin Week, the Hickory Latin Club has taken a trip to Pittsburgh to the Latin exhibit at the Buhl Planetarium. The club also has entered an exhibit of its own.

Mr. George Hollibaugh and his college biology class shove off for Pittsburgh where they tour many different places where knowledge may be secured.

Miss Dorothy Elder chooses a junior play which will be presented on April 15.

It's six more weeks of cold weather after the old groundhog sees his shadow.

Coach Chuck Snyder's basketball season ends on February 26. Dewey McCullough and Tim Earle end their career with the Hornets. Junior Varsity ends a very successful season.



And drill presses.

Lois Applegate, Gail Smock, Bud Zagger, Dick Dermond, and Larry Miller attend District Chorus in Ambridge on February 21, 22, and 23. Miss Buchanan accompanies the group.

Mr. Wm. Pool speaks at P.T.A. on Founders' Night, February 8.

Mr. Reimold attends principals' convention.

Valentine's Day brings the usual exchange of wishes among friends and sweethearts.

Junior Class picks motto and prom theme.

Hickory Women's Club presents a play entitled "Little Red Schoolhouse."

Square dance classes are held for junior-high students.

Library rules are changed to overcome crowded condition of the library.

We learned to use typewriters . . .

The Brown Greenhouses, Seventh Street near Buhl Farm Park, Sharpsville, Pa.

We used our voices like this . . .

. . and like this. . .

March

With the coming of the month of March, we find the halls of our alma mater being beautifully and gaily decorated with shamrocks and pictures of little Irish lads and lasses. This is the Sophomore Tri-Hi-Y's method of announcing the coming gala event, Shamrock Shuffle, to be held on Saturday, March 15. Joe McCauley is chosen to be master of ceremonies of the floor show which features several outstanding acts including the Beauty Shop Quartet composed of four girls from the Sophomore Tri-Hi-Y. We dance to the records of our popular juke box and at intermission all enjoy the delicious refreshments. A "Little Miss Irish" is chosen as all the girls' ticket stubs are collected and a drawing is held making the girl possessing the lucky number the one to reign over the dance. It is a huge success and the Shamrock Shuffle of 1952 will always remain as a favorite among our memories.

Also with the coming of March we think of spring when most of the young men of Hickory let their fancies turn to baseball. Take Ralph Burdick, for instance. Ralph leaves us on March 18 for Cleveland Stadium, the home of the Indians, and from there he reports to the spring training camp at Daytona Beach, Florida. We all dislike to see Ralph leave us now and miss the long-awaited senior activities, but we wish him all the luck in the world.

The five students who were chosen to represent Hickory High return from district chorus at Ambridge, Pennsylvania. Larry Miller wins second chair in the bass section which now makes him eligible for state chorus. Mr. John Raymond from Lafayette College directs the chorus and the students return to their schools much thrilled and impressed by this great director.

Mr. Dunlop from Penn State brings his band to Sharon High School on March 12. Mr. Dunlop, who directed the district band last year and was chosen again this year, has been acclaimed as having a great concert band.

April

"Here comes Peter Cottontail, hopping down the bunny trail." That little melody was in the air when April came in with its traditional April showers and the long awaited April Fool's Day. That's the day that people who aren't on their guard suffer.

Everyone sits and eagerly watches the days fly by. Of course they're waiting for the Easter vacation. The vacation is cut one day short this year to make up for the time lost due to bad weather just before the Christmas vacation.

During the Easter vacation 45 Science Club members shove off late Thursday evening and head, by bus, for Carlisle, Pennsylvania, where they attend the Pennsylvania Junior Academy of Science which is held on Friday and Saturday. The group stays in a hotel and is also entertained at a banquet. They also stay for Easter Sunday when they visit some historical site before returning home. They are accompanied by Miss Minnie Bevlyn and pull in at the Pennzoil again on Monday morning.

Fourteen members of the junior class successfully present, "Dark Night" before a large crowd in the high school gym. The play is directed by Miss Dorothy Elder.

The gym is filled with music when Miss Marion Buchanan presents her musical groups at the annual spring choral festival. The high school choir, boys' and girls' glee clubs, girls' ensemble, and the junior high choruses aid in making this festival one of the best ever staged at Hickory.

Mrs. Tarr's speech classes wind up their section in stage dramatics. Each student has participated in a one act play for the senior high school.

Definite plans get under way for the junior-senior prom which is to be held on May 15 in the high school gym following the banquet at the cafeteria in the new elementary building. Plans are made for the all-night affair which the parents are sponsoring.

The college chemistry classes visit a papermill at Tyrone, Pennsylvania.

Quality Food Market, Groceries-Meats-Produce, 1181 E. State Street

May

School is nearly out for some and nearly over for approximately 110 seniors. We find that May is a busy month.

The juniors are missing classes to prepare for the junior-senior prom which is one of the important dates on the calendar for this month. The beautifully decorated gym, done by the juniors, was the place where most of the juniors and seniors were on May 15.

The feeling of the day after the night before didn't seem to affect any of the seniors as they came trudging to school the next day for their class day program before shoving off for a day at Kennywood Park, Pittsburgh.

Practice for Baccalaureate seems to last for weeks, but it is worth it all when the seniors and their many friends and relatives sit on Sunday night, May 18, and listen to the guest speaker, as he talks to the young folks who are about to leave to make a life of their own.

Washington, D.C. here we come! That is what is heard on the day that the seniors shove off to visit the nation's capitol. The eighty-five students travel by chartered bus.

Seniors take final tests and turn in books. The opening day of the "Black Book" is a big day for some who have nothing in it to worry about and sad day for those who have failed to clear it in the past.

We learned to draw like this . . .

Underclassmen take final tests. Many people are happy, but still others are sad and some surprised.

Underclassmen begin to count the days! The seniors quit after Commencement.

June

June marked the end of another school year. As the last day of school approached, many students looked back on the incidents and events of the year.

They remembered the fun of going to the football games, and the crowning of Franny Von Strohe as Pigskin Queen. Then there was the senior play, "A Connecticut Yankee in King Arthur's Court." Who could ever forget those basketball games where everyone cheered themselves hoarse. Or trying to keep the different periods straight when the schedule was continually being changed. The "Heart Hop" and Nickie Starkey as Queen will be remembered by all.

Looking back on those dances, games, meetings, and trips, everyone agreed it had been a pretty wonderful year. And now most people headed for class picnics and parties before settling down to a welcome summer vacation.

or like this.

Class Will

We, the Senior Class of 1952 of Hickory High School, being of sound mind, do hereby make, publish, and declare this to be our last will and testament.

We do hereby will our possessions, both real and personal, to the following people.

JOAN ANTUS leaves her beauty to her sister, Janie.
LOIS APPLEGATE leaves her ability to make funny noises to Tommy Elberty.
ROSE ARENDAS leaves her seat on the bus to Frances Johnson.
ANDY BALKO leaves his many trips to Mr. Reimold's office to Bobby Beader.
JOE BEES leaves his football medical kit to Roland McCullough.
MARIANNE BINTZ leaves her ability to do math to Derk.
GEORGE BITTLER leaves his ability to miss school days to some perfect attendent.
BEVERLY BODAMER leaves her friend Mr. Reimold to whoever wants him.
WILLIAM BOGART leaves his shoes to anyone who can fill them.
ARLENE BRAINE leaves all the wonderful teachers to her sister, Charlene.
JOHN BROSS leaves all the seniors' teachers to someone who can appreciate them.
RALPH BURDICK leaves his catching for this year's catcher.
RICHARD BURDICK leaves his 85 strikeouts to next year's pitchers.
JACK BUYNAK leaves his bed in room 14 study hall.
VIOLA CALDWELL leaves her ability at twirling to Mr. Cohen.
JIM CALVIN leaves his ability of getting along with Mr. Green to any underclassman.
BEVERLY CARLY wills her seat on Bill Rombold's bus to anyone who wants it.
RAY CHAPIN leaves his seat in Mrs. Miller's home room to any unlucky junior.
CONNIE CORBIN leaves her forgetfulness to some junior journalist who can remember.
BILL CUNNINGHAM wills his position as treasurer of Spanish Club to anyone who wants it.
BOB DANKANYIN leaves his small football shoes to Ernie Swartz.
SUSIE DENAULT leaves her solid book to Mrs. Snyder.
EDWARD DURNEY leaves his reputation to anyone who wants it.
TIM EARLE wills his seat in the equipment room to "Snitch" Stainbrook.
DELORES EGOLF leaves her slim waist to Elsie Lado.
DEAN FLOWERS leaves his place on the projector crew to some unsuspecting junior.
JOAN FOLTZ leaves all her good grades in English and P.O.D. to her brother.
RUSS FRANK leaves his will to Mr. Gaus for such well-refereed games.
DAVID GARDNER leaves his English book to his brother.
VIRGINIA GEIWITZ wills her dancing enthusiasm at Reynold's Auditorium to Clara Mattocks.
DON GRIFFITH leaves his ability to get along with people to his brother, Ted.
VIRGINIA GUTHRIE wills her literature seat to Patty Missik.
CHARLES HAYLA leaves his FFA project book to George Taylor to worry about.
JOE HEINI leaves his baseball position to anyone who likes to sit.
THOMAS HOEFERT just leaves.
DOROTHY HOLLIBAUGH leaves her ability to keep house to Bernice Williams, she'll need it.
AUDENE HOLSAPFEL leaves her ability to play hookey and not get caught to Ellroy Holsapfel.
ROBERT HUNTER leaves his ability to drive to John Urban.
MARY JOHNSON wills her consumer's math book to her brother, Chuck.
RALPH JOHNSON wills his English book to anyone who likes it.
LEONA KEATS leaves her ability to miss two days a week to Doris Diefenderfer.
SOPHIE KEKICH leaves her P.O.D. class to her brother.
DOROTHY KILGORE just leaves.
DORIS JEAN KNOX leaves her literature book to her brother, Don.
NORMAN KOLBRICH leaves Mrs. Miller to the juniors and cousins who have her in 1976.
ROBERT LAIRD leaves his post as feature editor to the junior journalism class.
JOYCE MABRY leaves her ability to have fun on school trips to her sister, June.
DON MARENCHIN doesn't have anything to leave, but if someone gave him something, ok.
CARL MATTSON leaves and makes room for two.
RITA MAYERNIK leaves her blonde hair to Bernice Williams.
JOE McCAULEY leaves his ability to get out of classes to some lucky junior.

Class Will

MIMI McCONNELL leaves her strolls through the hall with Mr. Reimold to her brother.
DEWEY McCULLOUGH isn't leaving anything, because everything he has he needs.
LEE McELHANEY leaves his desk in study hall with Mr. Currie, with regards.
BRUCE McELROY wills his big feet to Bud Zagger.
BETTY McGHEE wills all the senior subjects to any unsuspecting underclassman.
SHIRLEY McGINNIS wills everything she has to anyone who can find use for it.
JANET McKEE leaves her seat in home room to Bonnie Greer.
MARY JANE McKEE leaves her ability to stay out of trouble to Peggy Wheaton.
ADRIENNE MEHLO leaves her P.O.D. book to Margaret Addicott, hoping she gets better grades.
DAVID MERCHANT leaves his love for cats to Don McCullough.
ROBERT MIHALCIN leaves all alcoholic beverages to some unsuspecting junior.
CAROL MILLER leaves her height.
LARRY MILLER leaves his ability of trying to sing to Jake Kolbrich.
PAUL MILLER leaves the hope for a few new senior teachers to the juniors.
WAYNE MILLER leaves his musical knowledge to Hillis Krichko and hopes he makes District Band.
CHARLES MOLASKY leaves his seat in Mr. Snyder's study hall to some lucky junior.
DONNA MORGAN leaves her seat in choir to some lucky person.
PAT MOSTROG leaves her ability to skip classes to someone who needs it.
JOANNE MULDOWNEY leaves her shyness to her sister, Rosalie.
KATHERINE NETTINGER leaves the "Shrimp Boats" to Mrs. Patterson.
KENNETH ORNDORFF just leaves.
STEVE PARKANY leaves P.O.D. class to some brainy junior because he'll need them.
DOLORES PARKINSON leaves her seat in P.O.D. class to some lucky junior.
GLADYS PRYOR leaves her post by Mr. Delahunty's office to someone who likes noise.
LEE REICHARD leaves his place as Hi-Y treasurer to some unlucky junior.
VIRGINIA ROCKHOLD leaves her business to Mary Burnett, don't leave us down, Pear.
JIM SCOTT leaves his football ability to next year's star.
MARY JEAN SCOTT leaves her ability to get along with teachers to someone needing it.
ETHEL SELENCHIK leaves her girl friends at Hickory to her brother, Joe.
MARY ANN SIMPSON leaves her laugh to Mr. Reimold.
GAIL SMOCK leaves her nickname "Snail" to Mr. Currie.
FRED SNYDER leaves watching the sloppy joes third period to some poor junior.
NAOMI STARKEY leaves the position as president of the student council to some lucky junior.
DOLORES SULECKI leaves her never ending job of drawing posters to her sister, Norma.
DOROTHY SULECKI leaves her ability to play hookey to Katherine.
STUART SWARTZ wills his seat in English class to anyone crazy enough to like English.
PHYLLIS TAYLOR leaves her baton twirling to her cousin, Delores Taylor.
MARY ELLEN TEMPLETON wills Miss Culler to anyone who wants to be a cheerleader.
BETTY TIPTON wills her piccolo to some unsuspecting soul.
BEVERLY THOMPSON wills her ability to make "Apple Pan Dowdy" to one of the juniors.
VIRGINIA THOMPSON took 12 years to get what she has, so why leave it?
CONNIE TREANTENOU isn't leaving anything, because everything she has she needs.
CHARLES TROUTMAN leaves his dislike to make book reports to anyone who wants it.
ELIZABETH VOYDA leaves her ability to be a guinea pig in chemistry class.
NANCY WALKER leaves her seat in home ec class to Kathryn Lado.
NANCIE WENTZ leaves her gym bloomers to anyone wishing a good name for herself.
SHIRLEY WHEATON leaves all of her abilities to her little sister, Peggy.
BETTY JANE WILHELM leaves her second year Spanish book to Craig Brown.
DON WILLS leaves his front seat to someone who likes it better.
STANLEY WINNER leaves his seat in P.O.D. class to Doris Miglin.
BEVERLY YOUNG leaves her calm nerves and strong heart to "Crash" Hunter.
JAMES YOUNG leaves his literature book to anyone who wants it.
EDNA ZIPAY leaves her ability to fix "zippers" to Rosella Perrine.

Class Prophecy

It's the year 1972! You are in the metropolis of Hickory. If you can remember into the distant past, you will recall the days when it was Hickory Township. It has now grown by leaps and bounds to be the center of all air, water, and rail travel. Let's take a stroll down the boulevard and see if we can find anyone we know. Oh! there's George Bittler working at Chuck's Gas Station and there's Naomi Starkey crawling out from under the grease rack. She's hunting for a little Molaskey. Look, there's Betty Tipton decorating that store window and Pat Mostrog pasting signs on that billboard. There's Mayernik's Music Studio. Mary Ann Simpson is the chief pianist.

Across the street is Don Marenchin, policeman, who's guiding the school children. Here come Bob Laird, Edna Zipay and Audene Holsapfel, tired and weary school teachers.

Well, Don Griffith finally found success. Look at that beautiful funeral parlor! Aren't those Dewey McCullough's kids? Yes, he still thinks they come cheaper by the dozen. Look at that sign they're putting in front of Griff's business establishment. "If you can't stop, please smile as you go by."

Here we are at the court house. We see Jim Calvin painting the flagpole and Ed Durney cutting the grass. As we walk up the marble halls of justice, we hear Beverly Bodamer pleading she didn't hit Lee Reichard with her taxi, and stone-hearted Tim Earle reaching the verdict of guilty. As we go past the D.A.'s office we hear politician, Kenny Orndorff, pleading with D.A., Jack Buynak, that he is innocent of grafting government taxes.

Turning the corner of McGinnis Alley, named for the renowned world traveler, Shirley McGinnis, we see Norman Kolbrich's super market, the greatest in the nation, with John Bross the official baloney stuffer. We see Joan Foltz, Dorothy Hollibaugh, Donna Morgan, Phyllis Taylor, and Mary Ellen Templeton, doing their weekly shopping. Who do we see delivering farm products at the rear of the building? None other than Bill Cunningham! Across the street we see the Hunter and Balko Gambling Casino.

Look, here comes the president of Metro-Hickory, Dean Flowers and tagging along picking up the pennies is Bruce McElroy, treasurer. As we take a short cut through an alley, we see, through a dingy window, Viola Caldwell, Steve Parkany, Dave Gardner and Don Wills working over a press. They always said they were going to make money!

By the time we get to the restaurant we are really hungry. We find Mimi McConnell the head cook. We stop at the hotel for the night and find Susie Denault, owner and Catherine Nettinger and Joyce Mabry the maids. Coming down in the elevator, we meet the co-eds, Lois Applegate and Doris Knox; the chemist, Charles Troutman and Connie Treantenou, his lab technician. In the lobby we see Major Heini.

Starting out again the next day we pass the hospital and see Arlene Braine, Connie Corbin, Joanne Muldowny, Betty McGhee, Elizabeth Voyda and Nancie Wentz going on duty.

Arriving at Joe McCauley's car lot, we rent a red convertible for the day. Before we get a chance to get out of town we see Stan Winner, dog catcher wrestling with a few of the neighbor's dogs. Before pulling out, we go into the office of Civil Service Worker, Carol Miller and ask to use her phone. Much to our surprise, we talk to operator Dolores Egolf who is taking over for Virginia Geiwitz. However, our call can't get through until Lee McElhaney repairs the line. We must make our trip to the country without announcing our plans.

Just outside of town we notice old friends going to or from work. There's Bob Mihalcin, Jim Young, Chuck Hayla and Ralph Johnson. We drive out past the new highway project and notice that Civil Engineers, Bees and Dankanyin are at the head of it. Along the highway we find little shops where our friends are now established, like Larry Miller, electrician and Stuart Swartz, mechanic. We stop at Russ Frank and Paul Miller's Drive-In and see Mary Johnson, Adrienne Mehlo, and Gladys Pryor as waitresses.

Out at the airport we see Dave Merchant land his transport with Dot Sulecki as co-pilot. Assisting the travelers who alight, Nancy Walker and Leona Keats who've returned from Africa, and Janie Wilhelm from Anartica is Beverly Young. Boarding the plane we see Dolores Parkinson, Rose Arendas, Beverly Carly, Virginia Guthrie, Sophie Kekich, Virginia Rockhold, Dorothy Kilgore, Janet McKee, Mary Jane McKee, Ethel Selenchik, Gail Smock, and Shirley Wheaton leaving for a secretarial convention. Beside the airport we can notice Bill Bogert constructing his new chicken farm. Giving orders is Marianne Bintz, world's fastest talker.

Passing the ball park, we see Rich Burdick, bat boy, and Ralph Burdick, star. We see Jim Scott, head of the reform school, entering the stadium.

Arriving at the race track we see Chapin, Hoefert, and Parola as the main events and watching the show are Mutt and Jeff, Carl Mattson and Joan Antus.

Finally we arrive at our destination, Dolores Sulecki's castle, where she is entertaining for Fred Snyder who has been the first to reach the moon. Dolores was assisted by Virginia Thompson, Beverly Thompson and Mary Jean Scott. Music for the evening was provided by Wayne Miller.

Class Memories

We the seniors of 1952 sometimes sit down and reminisce. We look back over our school days from the first day we stepped into a classroom twelve long years ago until today. Many of our memories have been happy, although a few have been sad ones. We don't like to remember the unhappy ones so we have set down a few of our most cherished chuckles, hoping that they might amuse you as they have us.

Ask Shirley McGinnis and Steve Parkany about the time Mr. Currie paddled them when they were first graders at Patagonia for going sled-riding instead of going straight home from school?

Back when we were sophomores, Rita Mayernik and Wayne Miller will never forget the time Rita forged Mrs. Fruit's signature on a pass for Wayne. They got caught!

Take a lesson from Dolores Sulecki and Marianne Bintz, when you sneak out of health class. Don't try to sneak back in. You'll get caught and receive a nice F for the six weeks.

When Gail Smock and Mary Ann Simpson were in the first grade they can remember the many times they chased Dean Flowers around Maple Drive School, each trying desperately to catch him. It seems they had a little crush on Dean.

Then the time when Elizabeth Voyda was in the seventh grade and came to school one day with the top of her pajamas on. It wasn't discovered until she got ready for bed and couldn't find it.

The summer that Tim Earle, Russell Frank, Gail Smock, and Lou Applegate went to Bible School together. Can't you just picture Tim in a nursery chair and Russ reading the Bible?

Dunk, Fred, Joe, and Dave will never play hookey like they did their junior year! Miss Bevlyn caught them. The moral of the story is: don't play hookey all together.

Back when we were sophomores, Mary Jane McKee fell asleep in study hall. She took advantage of a student teacher.

Doris Jean Knox and Connie Treantenou will never forget the time in third grade when they were made to stand out in the hall for talking in class.

When we were in the eighth grade, Sam seemed to have a crush on Dave Gardner. Every morning you could find her at the top of the stairs, waiting to ask Dave to go roller skating.

Remember the spaghetti parties at Shirley McGinnis' house when Gail Smock did 80 ups-and-downs. Later she quietly passed out.

In Transfer Dave Gardner can remember the day he stayed at home because he lost his teeth in the hay-mow.

When Connie Corbin was a junior, she tried to get a book from her locker between classes. Mr. Hollibaugh caught her and was going to turn her over his checkered apron.

We will always remember as a class: the many trips we have taken! Those biology trips, leaving at four o'clock and walking miles in the rain, Mimi McConnell always seemed to be able to fall in the water. Dave Merchant will always remember the conservatory and the flowers that just happened to be lying around. Those Latin Club trips when we never got back to the bus on time! The chemistry class trips to Washington, Pa. when we visited the glass factory! The science club trips to Allentown and Carlisle over Easter vacations. The F.F.A. and F.H.A. club trips, the Hi-Y and Tri-Hi-Y conventions are also remembered. There was the home-coming, Valentine dance, penny carnivals, the P.T.A. dances, the championships we have won in sports, the parties we had, the initiations, and the proms and plays. These are a few of the most cherished memories we have of our days at Hickory.
